**Ad Hoc Working Group on Further Commitments
for Annex I Parties under the Kyoto Protocol (AWG-KP)**

**Workshop to support the consideration of information on potential environmental,
environmental, economic and social consequences, including spillover effects, of tools,
policies, measures and methodologies available to Annex I Parties**

15.00–18.00

Plenary

Attendance: open to all participants

The objective of the workshop will be to discuss relevant work under the Conference of the Parties and the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP) and to exchange information on issues identified at the resumed sixth session of the AWG-KP, including: evidence of actual impacts and consequences of tools, policies, measures and methodologies available to Annex I Parties; positive and negative potential consequences; how the causes and effects of potential consequences can be assessed; and possible approaches to group actions that lead to these potential consequences.

- Introduction and welcome
- Presentations by Parties on the issues identified above
- Presentations by international organizations on the results of relevant technical analyses
- Discussion

An information note on the workshop (see document FCCC/KP/AWG/2009/INF.3) is available at http://unfccc.int/meetings/ad_hoc_working_groups/kp/items/4792.php. Copies of the presentations will be made available on the UNFCCC website upon conclusion of the workshop.
