Agenda item 3 (a–e)

Enabling the full, effective and sustained implementation of the Convention through long-term cooperative action now, up to and beyond 2012, by addressing, inter alia:

A shared vision for long-term cooperative action

Enhanced national/international action on mitigation of climate change

Enhanced action on adaptation

Enhanced action on technology development and transfer to support action on mitigation and adaptation

Enhanced action on the provision of financial resources and investment to support action on mitigation and adaptation and technology cooperation

Organization of work

Draft conclusions proposed by the Chair

1. The Ad Hoc Working Group on Long-term Cooperative Action under the Convention (AWG-LCA) requested the secretariat to compile the texts contained in the latest available non-papers produced by the chairs, co-chairs and facilitators of the groups during the seventh session of the AWG-LCA into an annex to the report on its seventh session for facilitating negotiations of the AWG-LCA at its eighth session in order to enable the Conference of the Parties to reach an agreed outcome at its fifteenth session. The report shall be made available in a timely manner, preferably two weeks in advance of the eighth session of the AWG-LCA.
2. The AWG-LCA reiterated its understanding that all texts and submissions from Parties, including those contained in documents FCCC/AWGLCA/2009/INF.1 and FCCC/AWGLCA/2009/INF.2 remain before the AWG-LCA and that the documentary form does not prejudice the form and legal nature of the agreed outcome envisaged under the Bali Action Plan.
3. The AWG-LCA agreed to carry out its work under agenda item 3 at its eighth session through one contact group in order to conclude its work on each of the main four elements of the Bali Action Plan in a comprehensive and balanced manner.
