A welcoming ceremony was held on 7 December, organized by the Government of Denmark to mark the opening of the fifteenth session of the Conference of the Parties (COP) and the fifth session of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP). A statement was made by the Prime Minister of Denmark, Mr. Lars Løkke Rasmussen.<sup>1</sup> The Mayor of Copenhagen, Ms. Ritt Bjerregård, delivered an address of welcome. Further statements were made by the Chair of the Intergovernmental Panel on Climate Change, Mr. Rajendra Pachauri, and the Executive Secretary of the UNFCCC, Mr. Yvo de Boer.

Following the welcoming ceremony, the COP, convened pursuant to Article 7, paragraph 4, of the Convention,<sup>2</sup> was opened at the Bella Center, Copenhagen, Denmark, by the President of the COP at its fourteenth session and the CMP at its fourth session, Mr. Maciej Nowicki, Minister of the Environment of Poland. He delivered a statement thanking all conference participants for the help extended to him during the past year. He encouraged delegates to work in the spirit of solidarity and compromise in order to reach the goal of a global agreement.<sup>3</sup>

## **II. Organizational matters<sup>4</sup>**

(Agenda item 2)

### **A. Election of the President of the Conference of the Parties at its fifteenth session**

(Agenda item 2 (a))

3. At its 1<sup>st</sup> meeting,<sup>5</sup> on 7 December, on the proposal of the outgoing President, the COP elected by acclamation Ms. Connie Hedegaard (Denmark), Minister for the United Nations Climate Change Conference in Copenhagen 2009, as its President. The outgoing President congratulated Ms. Hedegaard on her election and wished her every success in guiding the work of the COP at its fifteenth session. A statement was also made by the newly elected President.

4. General statements were made by the representatives of Sudan (on behalf of the Group of 77 and China), Algeria (on behalf of the African Group), Saudi Arabia, Lesotho (on behalf of the least developed countries), Grenada (on behalf of the Alliance of Small Island States (AOSIS), Mexico (on behalf of the Environmental Integrity Group), Australia (on behalf of the Umbrella Group) and Sweden (on behalf of the European Union and its member States).

---

<sup>1</sup> In general, statements made during the opening of the session applied to the work of the United Nations Climate Change Conference as a whole.

<sup>2</sup> The fifteenth session of the COP was held in conjunction with the fifth session of the CMP. The proceedings of the CMP are contained in a separate report. The proceedings of the joint meetings of the COP and the CMP convened during the high-level segment of the sessions are reproduced in both reports.

<sup>3</sup> The full video records of the plenary sessions are available at <[http://www2.cop15.meta-fusion.com/kongresse/cop15/templ/ovw.php?id\\_kongressmain=1&theme](http://www2.cop15.meta-fusion.com/kongresse/cop15/templ/ovw.php?id_kongressmain=1&theme)>. The transcripts of selected statements, including those made by Heads of State or Government, are also made available on the UNFCCC website at <[http://unfccc.int/meetings/cop\\_15/statements/items/5087.php](http://unfccc.int/meetings/cop_15/statements/items/5087.php)>.

<sup>4</sup> During several meetings of the COP, the President designated a Vice-President to act as President in accordance with rule 24 of the draft rules of procedure being applied (see document FCCC/CP/1996/2). However, for the sake of simplicity, the word President is used throughout this report.

<sup>5</sup> Meetings of the COP referred to in this report are plenary meetings.

5. On 15 December, the Executive Secretary had received a letter from the President, announcing her resignation, which would take effect from the beginning of the first joint meeting of the COP and the CMP convened during the high-level segment on 16 December. In accordance with rule 25 of the draft rules of procedure being applied,<sup>6</sup> the Government of Denmark appointed the Prime Minister of Denmark, Mr. Rasmussen, to replace Ms. Hedegaard as the President of COP 15 and CMP 5. Subsequently, this information was conveyed to the Bureau and to Parties.<sup>7</sup>

### **B. Adoption of the rules of procedure**

(Agenda item 2 (b))

6. The COP considered this item at its 1<sup>st</sup>, resumed 2<sup>nd</sup> and 9<sup>th</sup> meetings, on 7, 12 and 18–19 December, respectively. Statements were made by representatives of five Parties.

7. At the 1<sup>st</sup> meeting, on 7 December, the President recalled that the President of COP 14 and CMP 4 had announced that he would inform the COP in the event of any new developments regarding the adoption of the rules of procedure. At the same meeting, as there was still no consensus on this matter, and on the proposal of the President, the COP decided that, as at previous sessions, the draft rules of procedure contained in document FCCC/CP/1996/2 should continue to be applied, with the exception of draft rule 42. Papua New Guinea made a proposal on how to resolve this issue. The President announced that she would undertake consultations with Parties and report back to the COP.

8. At the resumed 2<sup>nd</sup> meeting, on 12 December, the President reported on her consultations. She informed the COP that, while Parties acknowledged that the adoption of the rules of procedure was important, delegations maintained their positions on this fundamental issue. The President announced that she would continue to consult with Parties and would report back to the COP.

9. At its 9<sup>th</sup> meeting, on 18–19 December, the COP agreed to continue to apply the draft rules of procedure contained in document FCCC/CP/1996/2, with the exception of draft rule 42. The President announced that he would continue consultations during the intersessional period and would report back to the COP in the event of any new developments.

The SBSTA, at its thirtieth and thirty-first sessions, had recommended three draft decisions and one set of conclusions for adoption by the COP. At its thirty-first session, the SBSTA elected to its Bureau Mr. Mihir Kanti Majumder (Bangladesh) as Vice-Chair and Mr. Purushottam Ghimire (Nepal) as Rapporteur.

35. At the same meeting, the COP, on a proposal by the President, took note of these reports and expressed its appreciation to Ms. Plume for her leadership as the Chair of the SBSTA.

40. The Chair of the AWG-LCA drew the attention of the COP to the draft of a core decision on the outcome of the work of the AWG-LCA, which the working group had decided to present to the COP without prejudice to the possible form and legal nature of the agreed outcome to be adopted by the COP under the Bali Action Plan (decision 1/CP.13). He also introduced a set of nine accompanying draft decisions on specific elements of the Bali Action Plan. He noted that all these draft decisions together with the core decision constituted a package, that they had reached different degrees of maturity and that several of them had been revised during the closing plenary meeting of the AWG-LCA at its eighth session. Although none of these texts had been completed, the AWG-LCA had decided to present them all to the COP for consideration and adoption.<sup>15</sup>

41. The Chair of the AWG-LCA wished the President well in her efforts to conclude consideration of the draft decision texts and offered his assistance in this respect. The contact group was mandated to complete work on any unresolved issues. A statement was made by a representative of one Party speaking on behalf of the Group of 77 and China.

43. The contact group on long-term cooperative action did not formally conclude its work or report back to a plenary meeting of the COP. The work of drafting groups established by the contact group was of an informal nature. The texts that emanated from this work have been reproduced in document FCCC/CP/2010/2 so as to be available to Parties in the continued efforts of the AWG-LCA to reach agreement on outstanding issues.

44. At its 9<sup>th</sup> meeting, on 18–19 December, the COP, on a proposal by the President,<sup>17</sup> adopted decision 1/CP.15 entitled “Outcome of the work of the Ad Hoc Working Group on Long-term Cooperative Action under the Convention” (FCCC/CP/2009/11/Add.1). Statements were made by

made by 40 Parties, including one speaking on behalf of the African Group, one speaking on behalf of AOSIS, one speaking on behalf of the European Union and its member States and one speaking on behalf of the least developed countries.

94. Following extensive informal consultations with Parties, the President proposed that the COP adopt a decision whereby the COP takes note of the Copenhagen Accord of 18 December 2009. The President also stated that attached to the decision would be the Copenhagen Accord itself and that the list of those agreeing to the Copenhagen Accord would be specified in the title. On this basis, the COP adopted this decision.<sup>43</sup>

95. On the basis of proposals by Parties and at their request, the secretariat summarized its understanding of the discussion with a view to clarifying the way forward. Firstly, the names of Parties agreeing to the Copenhagen Accord or wishing to be associated with it, would be listed in the chapeau of the Copenhagen Accord. Secondly, this list of countries would remain open until the finalization of the report on the session, after which an up-to-date list would be maintained on the UNFCCC website. Thirdly, no Party's name should be included in the list without that Party having confirmed the inclusion in writing.

96. Following the adoption of the decision and the clarification on the Copenhagen Accord, statements were made by representatives of 27 Parties, including one speaking on behalf of the African Union, one speaking on behalf of AOSIS and one speaking on behalf of the European Union and its member States.<sup>44</sup> A statement was also made by the Secretary-General of the United Nations, Mr. BAN.
