Put your expertise to valuable use supporting the Executive Board of the clean development mechanism in methodology development and assessment, accreditation of experts, and development of recommendations that might scale up and extend the reach of this important mechanism. The Executive Board is seeking experts for its Methodologies Panel, Afforestation/Reforestation Working Group, Small Scale Working Group and Accreditation Panel, with a view to preparing a shortlist of experts for consideration by the Board at its fifty-third meeting, in March 2010. The calls for experts opened on 16 December 2009 and will close on 26 February 2010, 16:00 GMT. For full details, and for links to apply online, please visit <<http://cdm.unfccc.int>>.

Vacancies at the UNFCCC secretariat

Conference participants are encouraged to bring to the attention of qualified individuals in their countries/organizations the link to the employment page of the secretariat website:

<http://unfccc.int/secretariat/employment/recruitment>

Five professional positions are currently advertised.

During the first half of 2010 we are expecting to advertise a number of vacancies ranging from entry level to senior management.

The secretariat is committed to ensuring equitable gender balance and geographical distribution among its staff. To this end, we would like to especially encourage qualified women candidates and candidates from developing countries to apply for vacancies.

Use of audio/video recording devices by participants at UNFCCC sessions

The making of audio and video recordings, including any external transmission, by Party or observer organization delegations during open and closed official meetings and in designated security zones is not permitted. The secretariat provides audio recordings of official meetings, as required by Parties. Webcasts are provided for open plenary meetings.

“TelePresence” video conferencing service

Four "TelePresence" suites are available for use by participants to COP 15 at no cost. Using these TelePresence suites in the conference venue it will be possible to connect virtually and in real time with 77 Cisco TelePresence rooms around the world and with 23 Danish embassies. The COP 15 TelePresence meeting facilities are located in Hall B across from the Meeting Room Assignment Counter and can be booked through the counter.

Announcements

Please note that no banking and mail services will be available today.

Webcasts of the sessions

For the duration of the conference, all official meetings and press conferences will be available live and on-demand, with English or floor audio streams. On-demand files will be available shortly after the close of each meeting.

A selection of side events will be available on demand in floor languages. Please check the UNFCCC website for the date and time of webcast sessions at <unfccc.int>.

Credentials

“Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs.” Delegations are kindly requested to present the corresponding letters of credentials to the External Relations team in the Conference Affairs office, located on the first floor in Hall B4.

Delegation nameplates

Delegates are kindly requested not to remove country nameplates from the meeting rooms. The secretariat is unable to replace these at short notice and this can lead to serious disruptions at meetings.

Security

Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience, but it is expected that participants will understand the need for such arrangements.

Pigeonholes

Pigeonholes for the distribution of official documents and messages, which delegates are kindly requested to check at regular intervals, are located next to the Documents Distribution counter. Participants are requested to refrain from distributing non-official material via the pigeonholes.

Lost and found items

Participants are reminded not to leave personal belongings in meeting rooms. Documents left in meeting rooms and on unattended desks will be removed. The Security office, located near the main entrance, is responsible for lost and found items.

**Table of draft decisions, conclusions and reports to be considered
by the COP and the CMP**

This table has been included to assist delegates in following the adoption of decisions, conclusions and reports for consideration by the COP and the CMP. The President will indicate when specific items are to be taken up and the action to be taken. There may be additional documents for consideration in the final plenary sessions. Please check at the documents counter.
