Organization and methods of work in 2010

Draft conclusions proposed by the Chair

1. The Ad Hoc Working Group on Long-term Cooperative Action under the Convention (AWG-LCA) recalled its mandate in decision 1/CP.13 (Bali Action Plan) to enable the full, effective and sustained implementation of the Convention through long-term cooperative action.
2. The AWG-LCA further recalled decision 1/CP.15 that extended the mandate of the AWG-LCA with a view to presenting the outcome of its work to the Conference of the Parties (COP) for adoption at its sixteenth session.
3. The AWG-LCA took note of the views expressed by Parties in their submissions¹ and in statements made during the plenary meetings of this session.
4. The AWG-LCA agreed to continue to work in an inclusive and transparent manner that adheres to the principles of the United Nations.
5. The AWG-LCA invited its Chair to prepare, under her own responsibility, a text to facilitate negotiations among Parties, drawing on the report of the AWG-LCA presented to the COP at its fifteenth session, as well as work undertaken by the COP on the basis of that report, and to make it available two weeks in advance of the tenth session of the AWG-LCA.
6. The AWG-LCA invited its Chair to propose, through her scenario notes, an indicative roadmap, and invited Parties to submit to the secretariat, by 4 May 2010, their views on this matter.
7. The AWG-LCA agreed that its tenth session would be held in conjunction with the thirty-second sessions of the Subsidiary Body for Implementation (SBI) and the Subsidiary Body for Scientific and Technological Advice (SBSTA). The AWG-LCA further agreed that its sessions would be held in conjunction with those of the Ad Hoc Working Group for Further Commitments for Annex I Parties under the Kyoto Protocol.

8. The AWG-LCA further agreed that in order to conclude its work it would need to hold two sessions between its tenth session and the sixteenth session of the COP, of a duration of at least one week each, and allowing sufficient time between sessions to enable Parties to consult and prepare in order to enable the AWG-LCA to continue its work with a view to presenting the outcome of its work to the COP for adoption at its sixteenth session. The AWG-LCA requested the secretariat to make the necessary arrangements.

9. The AWG-LCA invited the SBI to consider a proposal that a high-level session be held between the thirty-second sessions of the SBI and the SBSTA and the sixteenth session of the COP to provide additional high-level policy direction.

10. The AWG-LCA invited Parties in a position to do so to offer, as soon as possible, to host such sessions.

11. The AWG-LCA expressed appreciation for the contributions received from Parties for the work of the AWG-LCA and strongly urged Parties in a position to do so to provide contributions to the Trust Fund for Participation in the UNFCCC Process and the Trust Fund for Supplementary Activities in order to ensure the widest possible participation in the negotiations, to the extent possible, aimed at funding two delegates from each eligible Party and a third delegate from the least developed countries and small island developing States.

12. The AWG-LCA acknowledged that financial contributions or firm pledges should preferably be made by 26 April 2010 for its eleventh session and by 9 June 2010 for its twelfth and subsequent sessions, to allow the secretariat to make the necessary arrangements.
