Announcements

Availability of meeting rooms	The demand for meeting rooms is expected to exceed the capacity of the conference premises and priority will be given to meetings directly associated with the negotiating process. The secretariat appreciates participants' understanding in this connection. Meetings will therefore only be confirmed at the earliest one day prior to the requested meeting taking place.
Use of audio/video recording devices by participants at UNFCCC sessions	The making of audio and video recordings, including any external transmission, by Party or observer organization delegations during open and closed official meetings and in designated security zones is not permitted. The secretariat provides audio recordings of official meetings, as required by Parties. Webcasts are provided for open plenary meetings.
Meditation room	A room for meditation and prayer is available to participants and is located on the second floor, to the right of the ESCAP Hall.
Webcasts of the sessions	Live and on-demand webcast coverage of official plenary sessions, press conferences as well as pre-session workshops will be provided during the Climate Change Conference Bangkok. Webcasts from official plenary sessions will be made available with English interpretation audio. PowerPoint presentations will be displayed and made available for download in PDF format when provided by the speaker.
Delegation nameplates	Delegates are kindly requested not to remove country nameplates from the meeting rooms. The secretariat is unable to replace these at short notice and this can lead to serious disruptions at meetings.
Security	Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience, but it is expected that participants will appreciate the need for such arrangements.
Building fire regulations	In order to ensure compliance with building fire regulations, UN Security may ask participants to refrain from accessing meeting rooms or vacate meeting rooms if the room capacity is full. Thank you for your cooperation.
Lost and found items	Participants are reminded not to leave personal belongings in meeting rooms. Documents left in meeting rooms and on unattended desks will be removed. The Security Office, located near the main entrance, is responsible for lost and found items.
Payment of DSA	Funded meeting participants who have not collected their DSA cards yet are reminded to come by the DSA/Travel Office, located on the second floor, by latest Thursday, 7 April.
