NATIONS**

Monday, 28 November 2011

United Nations
Framework Convention on
Climate Change

**United Nations Climate Change Conference 2011
COP 17 and CMP 7
Durban, 28 November – 9 December 2011**

Daily Programme

Addendum*

Other events

Descriptions of the events listed below have been reproduced as received, and without formal editing.

Africa Pavilion

Time	Title/Theme	Organizer	Venue
11:30– 13:00 1 Dec	Drawing the Line: The Costs of Adaptation and Development	African Development Bank	Africa Pavilion
11:30– 13:00 1 Dec	Making the Case: Prioritizing Water in Climate Change Negotiations	African Development Bank	Africa Pavilion
13:20– 14:40 1 Dec	Agriculture and Food Security: The Balance between Adaptation and Mitigation	African Development Bank	Africa Pavilion

* Please note that the information in this document will not be reprinted during the sessions.

The Daily Programme is available electronically at <unfccc.int>. Participants are kindly reminded to consult the CCTV monitors for any last-minute changes to the Daily Programme. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.

11:30– 13:00 2 Dec	Hidden Lands: Ensuring Transparency in Acquisition and Allocation	African Development Bank	Africa Pavilion
13:20– 15:20 2 Dec	REDD+ in Africa: Policies and Perspectives	African Development Bank	Africa Pavilion
13:20– 14:40 2 Dec	Lessons Learned: Mali Ministers of Environment and Agriculture	African Development Bank	Africa Pavilion
15:00– 16:30 2 Dec	Vanishing Forests: Can Sustainable Management Reverse the Trend?	African Development Bank	Africa Pavilion
10:00– 20:00 5 Dec	African Ministerial Conference on Water	African Development Bank	Africa Pavilion
11:30– 13:00 5 Dec	Climate Change Adaptation and Development in Africa: A Mainstreaming Approach	African Development Bank	Africa Pavilion
11:30– 13:00 5 Dec	Green Growth: The Potential for Africa	African Development Bank	Africa Pavilion
13:20– 14:40 5 Dec	Launch of Africa Atlas	African Development Bank	Africa Pavilion
15:00– 16:30 5 Dec	Nationally Appropriate Mitigation Actions: Catalysts for Low-Carbon Development in Africa	African Development Bank	Africa Pavilion
15:00– 16:30 5 Dec	Get the Inside Scoop: Energy Markets in Africa	African Development Bank	Africa Pavilion
16:45– 18:15 5 Dec	From Small to Large: Clean Energy Projects in Africa	African Development Bank	Africa Pavilion
18:30– 20:00 5 Dec	Energy, Climate, and Green Economy: Partnerships for Transformation	African Development Bank	Africa Pavilion

China Pavilion

Time	Title/Theme	Organizer	Venue
10.00– 12.10 1 Dec	<p>Adaptation Day Four speakers from China will present key activities on climate change adaptation. This will include an overview of recent studies for the national strategy of climate change adaptation, and experiences from the Sino-UK-Swiss Adapting to Climate Change in China (ACCC) Project. Presentations will be followed by a 20 minutes questions and answers session. At the end of the session 2 videos on innovations and case studies in Climate Adaptation will be screened.</p>	<p>Adapting to Climate Change in China PMO Emanuele Cuccillato E_cuccillato@ccadaptation.org.cn (+86-13718848640)</p>	<p>China Pavilion, DEC South Plaza</p>
14.30– 16.00 1 Dec	<p>Youth Forum on Climate Change Adaptation In order to introduce the young ambassadors, play videos and make speeches of the project, and release some disseminations and videos made in Inner Mongolia and Ningxia.</p>	<p>National Development and Reform Commission, China & The British Council Cathy Sheng Cathy.Sheng@britishcouncil.org.cn (+86-10-65906903ext242)</p>	<p>China Pavilion, DEC South Plaza</p>
09.30– 12.00 2 Dec	<p>Green Building in China: Challenges and Practice This event will discuss the policies and actions for addressing climate change in China's construction sector. State-owned and private real estate companies will introduce their green strategy and best practices, as well as innovations in low carbon building standards.</p>	<p>Research Center for Sustainable Development Mr. Hongbo Chen Hbc_w@hotmail.com (+86-01-65252160)</p>	<p>China Pavilion, DEC South Plaza</p>
14.00– 15.30 2 Dec	<p>Low Carbon City in China: Exploration and Innovation China has accumulated substantial experiences in low-carbon city construction and adaptation to climate change. At this event, the experts will discuss the strategic framework and prospect of China's low-carbon city development, climate capacity and resilient city, methodology for evaluation etc.</p>	<p>Research Center for Sustainable Development Mr. Guiyang Zhuang Zhuang_gy@yahoo.com.cn (+86-01-65257396)</p>	<p>China Pavilion, DEC South Plaza</p>
15.45– 17.00 2 Dec	<p>Low Carbon Finance In China: Opportunity and Dilemma In order to meet GHG emission reduction and non-fossil energy development targets in 2020, China needs to secure flexible, efficient and sustainable financial support. This event will discuss and analyze the financing scale, channels and mechanisms to stimulate china low carbon development.</p>	<p>Research Center for Sustainable Development Ms. Xiang Yu Sophie.yu.xiang@gmail.com (+86-01-65258551)</p>	<p>China Pavilion, DEC South Plaza</p>

10.00– 12.00 3 Dec	<p>Challenges and Tasks for Low carbon Development in China during the Twelfth Five Year Plan Period</p> <p>In order to establish and distinguish the challenges and tasks for the low carbon development in China during the twelfth five year plan period. Prof He Jiankun will make the keynote speech; Speakers from ADB, U.K and other organizations will be invited.</p>	<p>Tsinghua University Ms. Gu Alun gal@tsinghua.edu.cn (+86-10-62794098)</p>	<p>China Pavilion, DEC South Plaza</p>
14.00– 15.30 3 Dec	<p>Technology Innovation and Intellectual Property Protection</p> <p>1-4 speakers from Denmark, Germany, Sweden and National/International Green Industry Business Associations, Confirmation pending) will imagine a Green Tech Ecosystem----Starting from a Study of the Role of Intellectual Property in Technology Innovation and Dissemination in China's Wind Power Industry.</p>	<p>Tsinghua University Ms. Gu Alun gal@tsinghua.edu.cn (+86-10-62794098)</p>	<p>China Pavilion, DEC South Plaza</p>
15.30– 17.00 3 Dec	<p>China's Youth Actions to Address Climate Change</p> <p>China's Youth Representatives selected by Ministry of Environmental Protections China will play videos and launch an initiative for Youth to address climate change.</p>	<p>Center for Environmental Education and Communications of Ministry of Environmental Protections China Li Penghui netlph@126.com (+86-10-84633680)</p>	<p>China Pavilion, DEC South Plaza</p>
09.50– 12.00 4 Dec	<p>China Pavilion Launch Ceremony</p> <p>Minister Xie Zhenhua and the UNFCCC Executive Secretary Christiana Figueres will cut ribbon for the China Pavilion. Minister Xie will make opening remarks, and answer questions to the journalists and other participants.</p>	<p>China Delegation Ms. CHEN Xumei chenxumei@ccchina.gov.cn (+86-10-68505642)</p>	<p>China Pavilion, DEC South Plaza</p>
14.00– 17.00 4 Dec	<p>Seminar: Prospects of Addressing Climate Change : Strategy and Trends in China and the World</p> <p>Speakers from NDRC and locals will present the policies and actions of China during 2006-2010. Officials from Ningxia and the State Council Leading Group Office of Poverty Alleviation and Development will give speeches of the current situations and actions for green development and poverty alleviation. Enterprises representatives will introduce the actions of Chinese companies to address climate change.</p>	<p>China Delegation Ms. CHEN Xumei chenxumei@ccchina.gov.cn (+86-10-68505642)</p>	<p>China Pavilion, DEC South Plaza</p>

<p>10.00– 11.30 5 Dec</p>	<p>National Climate Change Strategy Research and International Cooperation Center (NCSC) Side Event NCSC will soon launch as the tank for climate change strategy research and international cooperation of China. Minister Xie Zhenhua will make opening remarks, officials from NDRC will introduce the basic information of NCSC. High level officials and experts from IPCC, GEF, UNDP, South Center, Tsinghua University will join the panel discussions.</p>	<p>National Climate Change Strategy Research and International Cooperation Center (NCSC) LI Junfeng lijunfeng@amr.gov.cn (+86-10-63908465)</p>	<p>China Pavilion, DEC South Plaza</p>
<p>13.30– 15.00 5 Dec</p>	<p>Strengthen “South-South Cooperation” to Address Climate Change Minister Xie Zhenhua, head of China Delegation will make keynote speech of the latest actions for China to strength south-south cooperation on climate change. Minister-level from African Union, Grenada and AOSIS will give speeches of their actions for developing countries to address climate change. Representative from CECEP will give a brief introduction of their actions in Africa.</p>	<p>China Delegation Ms. CHEN Xumei chenxumei@ccchina.gov.cn (+86-10-68505642)</p>	<p>China Pavilion, DEC South Plaza</p>
<p>15.30– 18.00 5 Dec</p>	<p>Policies and Actions of Local Governments of China to Address Climate Change Five officials from five provinces or cities of China which are Heilongjiang, Jiangsu, Guangdong, Hainan, Qingdao will make presentations on the policies and actions of local governments of China to address climate change. Videos will be played during the session. There will also be disseminations from local governments in China.</p>	<p>China Delegation Ms. CHEN Xumei chenxumei@ccchina.gov.cn (+86-10-68505642)</p>	<p>China Pavilion, DEC South Plaza</p>
<p>18.00– 19.00 5 Dec</p>	<p>Press Conference Two D.G.level officials from National Development and Reform Commission and National Energy Administration of China will answer questions on policies and actions of China to address climate change during the eleventh five year plan period (FY2006-2010), especially in energy conservation and GHG emission reduction actions, policies for energy efficiency and renewable energy.</p>	<p>China Delegation Ms. CHEN Xumei chenxumei@ccchina.gov.cn (+86-10-68505642)</p>	<p>China Pavilion, DEC South Plaza</p>

19.10– 20.40 5 Dec	Climate Change Finance of China Speakers from NDRC, Ministry of Finance, local finance bureaus, China CDM Fund, commercial banks and enterprises of China, will present a detailed introduction of what China has done in climate change finance and financing mechanism innovation.	China Clean Development Mechanism Fund XIE Fei xiefei@cdmfund.org (+86 10 8865 9260)	China Pavilion, DEC South Plaza
09.00– 11.30 6 Dec	Counsellors of the State Council Forum The Counsellor's Office of the State Council, a high-level think-tank of Chinese government, will organize a group of counsellors with research background in resources & environment, energy development and green economy to propose policy recommendations on formulating low carbon development strategy, promoting green economy and following a low carbon development path.	Research Center for Sustainable Development, CASS Ms. Yan Nan Nanyan721@hotmail.com (+86-01-85118978)	China Pavilion, DEC South Plaza
14.00– 17.00 6 Dec	Address Climate Change: CECEP in Action CECEP's major business will be fully demonstrated on the conference. CECEP's Social Responsibility Report will be released. CECEP will sign a joint declaration with several renowned enterprises during the conference. Distinguished guests will hold discussions on related issues on the conference.	CECEP Mr. Ru Changjin rucj@cecep.cn (+86-15601115182)	China Pavilion, DEC South Plaza
18.00– 20.00 6 Dec	ENN Group Cocktail Reception : Innovation Today, Lighting Tomorrow Cocktail Reception: Innovation Today, Lighting Tomorrow ENN will launch its initiative during the event to call upon more cooperation with its peers to drive shared use of clean energy, technology and promoting clean energy industry development.	ENN Group Mr. Mao Jianchun maojianchun@enn.cn (+8613910615915)	China Pavilion, DEC South Plaza
09.30– 11.30 7 Dec	High-Level Forum on Climate Change Minister Xie Zhenhua will make the opening remarks. Minister level officials from UNEP, the World Bank Group, EU, Italy will attend the forum, and make discussions to exchange views on the policies and actions of addressing climate change and promoting green, low-carbon development.	China Delegation Ms. CHEN Xumei chenxumei@ccchina.gov.cn (+86-10-68505642)	China Pavilion, DEC South Plaza

13.00– 20.00 7 Dec	<p>China-World Bank Joint-Forum on Addressing Climate Change and Green Low-Carbon Development</p> <p>As a joint forum organized by China Delegation and the World Bank Group, five sessions will be held, which are Green Growth, low carbon cities, Energy efficiency & renewable energy, climate change adaptation, carbon markets, for each session, 3 to 4 speaker from the WB, China and international organizations will give presentations.</p>	<p>China Delegation & The World Bank Group Ms. CHEN Xumei chenxumei@ccchina.gov.cn (+86-10-68505642)</p>	<p>China Pavilion, DEC South Plaza</p>
09.00– 12.00 8 Dec	<p>China Carbon Trading and Low Carbon Transition</p> <p>The event will be held in China Pavilion, approved by NDRC, that combines regional carbon trading pilots progress, objective to explore the way to establish China domestic carbon market, and accelerate the low-carbon economy transition. The experts will bring their insights and latest news.</p>	<p>Beijing China Environment Exchange Ms. Wang Ying yingwang@cbex.com.cn (+86-10- 6629 5746)</p>	<p>China Pavilion, DEC South Plaza</p>
13.00– 16.30 8 Dec	<p>Energys Service Company (ESCO) Development In China</p> <p>The event will present brochure of Chinese energy service industry development, which shows the contribution of international organization, the achievement of the ESCO industry, the function of national ESCO Association (EMCA) and the successful experience of the participating ESCOs.</p>	<p>ESCO Committee of Energy Conservation Association Zhao Ming zm@emca.cn (+86-10-63600182)</p>	<p>China Pavilion, DEC South Plaza</p>
18.00– 20.30 8 Dec	<p>Low Carbon Development, Energy Enterprises in Action</p> <p>The event will present an in-depth dialogue between influential international associations and energy companies aims to find out an effective action way for Chinese Energy Companies to participate in low carbon development, energy saving and emission reduction.</p>	<p>Chinese Renewable Energy Industry Association/China Renewable Energy Entrepreneurs Club Zhang Muzi bayzhang@live.cn (+8613810272091)</p>	<p>China Pavilion, DEC South Plaza</p>
10.00– 12.00 9 Dec	<p>Building-up Low Carbon Cities in China: Practices and Approaches</p> <p>This event will present practices and approaches on build Low-Carbon City blueprint in China based on real case studies in Qingdao and Guiyang Cities, addressing such issues as city level inventories, scenarios on setting and allocation of city's emission target and technology & policy roadmap, etc.</p>	<p>National Development and Reform Commission, Asian Development Bank, World Resources Institute, Renmin University of China FU Sha Fusha216@gmail.com (86-10-62513952)</p>	<p>China Pavilion, DEC South Plaza</p>

EU Pavilion

Time	Title/Theme	Organizer	Venue
10.30– 12.30 28 Nov	<p>Ecodevelopment And Resilient Energy Policies</p> <p>A new methodology to assist decision-makers in climate-proofing their energy policies in line with ecodevelopment goals will be presented. The methodology helps decisions makers assess the environmental, technical and economic viability of a proposed energy policy.</p>	<p>HELIO International, France Laura WILLIAMSON Helene CONNOR helio@helio-international.org Tel: +33.6.08.23.87.86</p>	EU pavilion- Warsaw Room
13.00– 15.00 28 Nov	<p>EU-Africa scientific cooperation on climate change</p> <p>This event will showcase specific examples of cooperation. The focus will be on best practices, challenges and opportunities for capacity building in climate change research in Africa, notably in the areas of climate predictions and scenarios, adaptation options, and climate change impacts.</p>	<p>European Commission, Directorate-General for Research and Innovation Luca PEREZ luca.perez@ec.europa.eu Tel:+32 229 55528 Mobile:+32 479 843 247</p>	EU pavilion- Warsaw Room
13.00– 15.00 29 Nov	<p>EU capacity-building activities in Mexico and Indonesia: mitigation and MRV</p> <p>This event will give an overview of these capacity-building activities from the perspective of both the EU and the recipient countries. Particular attention will be paid to lessons learned on the ground.</p>	<p>European Commission, Directorate-General for Climate Action Erasmia Kitou Erasmia.kitou@ec.europa.eu Tel: +32 229 58219 Mobile: +32 498 958 219</p>	EU pavilion- Warsaw Room
15.30– 17.00 29 Nov	<p>Country-level climate change and impacts</p> <p>The key scientific outcomes of a new study by the Met Office’s Hadley Centre into the physical science and impacts of climate change across more than 20 countries worldwide will be presented. The study has been developed at DECC’s request with the participation of France, Germany, Italy and Spain.</p>	<p>Department of Energy and Climate Change (DECC), UK, and Met Office, UK Jim.Penman@decc.gsi.gov.uk Tel: +447717541289</p>	EU pavilion- Warsaw Room
18.00– 20.00 29 Nov	<p>Fair and efficient governance for the Green Climate Fund?</p> <p>How can it be ensured that GCF funding will be allocated fairly and spent efficiently? This event aims to share (often) divergent state and civil society perspectives and analyse political demands in the light of experiences on the ground.</p>	<p>Climate Action Network (CAN) France Marie Jaudet marie.jaudet@developpement-durable.gouv.fr Tel:+33 6 64 40 22 46</p>	EU pavilion- Warsaw Room

<p>13.00– 15.00</p> <p>29 Nov</p>	<p>EU fast start finance: 2011 progress report The EU will report on its progress in delivering fast start finance to developing countries. Key implementing agencies and Multilateral Development Banks will share their experiences of the fast start initiative and representatives of recipient countries will give examples of success stories.</p>	<p>Polish Presidency of the EU and European Commission, Directorate-General for Climate Action Elina Bardram Elina.Bardram@ec.europa.eu Tel: +32 229 93305 Mobile: +32 498 993 305</p>	<p>EU pavilion- Brussels room</p>
<p>15.30– 17.30</p> <p>29 Nov</p>	<p>Making the transition to low carbon societies in a changing world This event will examine how to realise the paradigm shift in climate policies demanded by the Cancún declaration. It aims to open a fruitful dialogue between teams from LCS-Rnet, which covers the G8 countries, and scientists and policy-makers from the BASIC countries.</p>	<p>Ministry of Ecology and Sustainable Development, France, and International Research Network for Low Carbon Societies (LCS-Rnet) Christophe Cassen cassen@centre-cired.fr</p>	<p>EU pavilion- Brussels room</p>
<p>13.00– 15.00</p> <p>30 Nov</p>	<p>Global forest land-use change: the Remote Sensing Survey of FAO Global Forest Resources Assessment The survey, co-funded by the European Commission, has been implemented over the last three years by FAO with JRC as the main scientific partner and participation from over 100 countries and more than 200 national experts. The results will be presented and discussed at this event.</p>	<p>European Commission, Joint Research Centre (JRC) Frédéric Achard frederic.achard@jrc.ec.europa.eu Olivier Arino olivier.arino@esa.int Tel:+39-338-70740</p>	<p>EU pavilion- Warsaw Room</p>
<p>15.30– 17.30</p> <p>30 Nov</p>	<p>Methodologies for REDD+: drivers, costs, and reference levels This event will present new research from a project on developing reference levels useful for REDD+ and to help estimate costs of REDD+ mitigation. The session will provide insights into how, for example, national circumstances can be included in UNFCCC efforts to set reference levels.</p>	<p>Department of Energy and Climate Change (DECC), UK Jim Penman Jim.Penman@decc.gsi.gov.uk Tel: + 447717541289</p>	<p>EU pavilion- Warsaw Room</p>
<p>18.00– 20.00</p> <p>30 Nov</p>	<p>Forestry projects: a variety of options Whilst the REDD mechanism moves towards implementation – with the help of pioneering initiatives from actors like the World Bank and Norway – other ways exist to mitigate climate change through a combination of forestry and carbon finance. Promising examples of such initiatives will be presented.</p>	<p>CDC Climat, France Marie Jaudet marie.jaudet@developpement-durable.gouv.fr Tel:+33 6 64 40 22 46</p>	<p>EU pavilion- Warsaw Room</p>

<p>10.30– 12.30</p> <p>30 Nov</p>	<p>A framework to assess the sustainability of different REDD+ design options The different options for REDD+ (e.g. on reference level and scope) will have an impact on the sustainability of its implementation in the field. This event will present a framework to analyse the implications of different scenarios for individual countries.</p>	<p>Government of Belgium Tom Dauwe Tom/dauwe@vito.be Tel:+32 14 33 59 77</p>	<p>EU pavilion- Brussels room</p>
<p>13.00– 15.00</p> <p>30 Nov</p>	<p>The cost-effectiveness of REDD+ This event will explore the impacts of different incentive schemes on the mitigation, adaptation and development potential of REDD+. It will also look at their impacts on REDD+'s capacity to engage all relevant partners and deliver maximum benefits in the shortest possible time.</p>	<p>European Commission, Directorate-General for Climate Action Michael Bucki Mika.bucki@ec.europa.eu Tel: +32 229 55601 Mobile: +32 479 091 950</p>	<p>EU pavilion- Brussels room</p>
<p>15.30– 17.30</p> <p>30 Nov</p>	<p>EU support for capacity building on finance Finance is one of the areas where capacity-building needs are greatest. This event will focus on EU support for capacity building on finance in the broadest sense, including budgetary and accounting processes, financial management and access to financial resources.</p>	<p>EU Expert Group on Adaptation Etienne Coyette Etienne.Coyette@ec.europa.eu Tel: +32 229 88321</p>	<p>EU pavilion- Brussels room</p>
<p>18.00– 20.00</p> <p>30 Nov</p>	<p>Sustaining systematic observation from space and related capacity building and training activities ESA, SANSA and JRC will present their contribution to establishing a long term systematic observation system in response to GCOS requirements and the European GMES and its data sharing principles. All three bodies are supporting capacity building and training in Africa.</p>	<p>European Space Agency (ESA), South African Space Agency (SANSA) and European Commission's Joint Research Centre (JRC) Frédéric Achard frederic.achard@jrc.ec.europa.eu Olivier Arino olivier.arino@esa.int Tel: +39-338-70740</p>	<p>EU pavilion- Brussels room</p>
<p>10.30– 12.30</p> <p>1 Dec</p>	<p>LULUCF - Modalities and implications of more intensive inclusion in Kyoto and post-Kyoto processes The Kyoto framework and LULUCF-based carbon accounting strategies only lead to small amounts of carbon sequestration. Can LULUCF be better mobilised and would Parties be willing to agree to a new accounting framework? What would be the impacts of reform?</p>	<p>Swedish University of Agricultural Sciences David Ellison ellisondl@gmail.com Tel: +36 30 929 5246 Hans Petersson hans.petersson@slu.se Tel: +46 70 834 7133 Mattias Lundblad mattias.lundblad@slu.se Tel: +46 709 28 12 87</p>	<p>EU pavilion- Warsaw Room</p>

13:00– 15:00 1 Dec	<p>African countries in the global carbon market: Challenges, opportunities and initiatives</p> <p>This event showcases lessons learnt from the German ministry’s initiatives to promote carbon markets in Africa through policy advice, capacity building, technical assistance and finance. Examples include innovative financing instruments for seed funding and activities on project bankability.</p>	<p>Federal Ministry for the Environment, Nature Conservation and Nuclear Safety, Germany Beatrice Ladusch beatrice.ladusch@bmu.bund.de Tel : +49 3018 305 2326</p>	<p>EU pavilion- Warsaw Room</p>
15.30– 17.30 1 Dec	<p>The role of civil society organisations in adaptation in developing countries</p> <p>How can civil society organisations enhance local and national adaptive capacities in developing countries by adopting a cross-cutting, systemic approach to adaptation? An empirical analysis carried out among French and African development NGOs will be presented.</p>	<p>Coordination Sud, France Marie Jaudet marie.jaudet@developpement-durable.gouv.fr Tel: +33 6 64 40 22 46</p>	<p>EU pavilion- Warsaw Room</p>
18.00– 20.00 1 Dec	<p>African COP: A perspective from Germany’s International Climate Initiative (ICI)</p> <p>This event will show how the ICI finances climate protection and adaptation measures together with African partners. Regional cooperation as a means to strengthen adaptation capacities and protect forests will also be addressed.</p>	<p>Federal Ministry for the Environment, Nature Protection and Nuclear Safety, Germany Beatrice Ladusch beatrice.ladusch@bmu.bund.de Tel:+49 3018 305 2326</p>	<p>EU pavilion- Warsaw Room</p>
10.30– 12.30 1 Dec	<p>New prospects for energy access and sustainable forest management through carbon finance in LDCs</p> <p>Carbon finance can be a real vector of sustainable development for the poorest communities. This event will give an overview of the French actors working in the field of carbon finance as well as look at results so far and the challenges for accelerating implementation of sustainable development.</p>	<p>Groupe Energie Renouvelables, Environnement et Solidarités (GERES), France Marie Jaudet marie.jaudet@developpement-durable.gouv.fr Tel: +33 6 64 40 22 46</p>	<p>EU pavilion- Brussels room</p>
13.00– 15.00 1 Dec	<p>Opportunities for non-carbon benefits of REDD+</p> <p>This event will explore how the rules to be agreed on assessing and rewarding the performance of REDD+ activities could have a positive impact on the rights and livelihood of forest communities and the ecosystem services they depend upon. The benefits of landscape restoration will be highlighted.</p>	<p>European Commission, Directorate-General for Climate Action; Convention on Biological Diversity; Federal Ministry for the Environment, Nature Conservation and Nuclear Safety, Germany Michael Bucki Mika.bucki@ec.europa.eu Tel: +32 229 55601 Mobile: +32 479 091 950</p>	<p>EU pavilion- Brussels room</p>

15.30– 17.30 1 Dec	<p>Africa-EU Partnership Second Action Plan 2011-2013 Climate priorities approved at the December 2010 summit of the Africa-EU Partnership will be presented. The Great Green Wall on Sahel Sahara Initiative will be among the projects discussed.</p>	<p>Ministry of Ecology and Sustainable Development, France Marie Jaudet marie.jaudet@developpement-durable.gouv.fr Tel: +33 6 64 40 22 46</p>	EU pavilion- Brussels room
18.00– 20.00 1 Dec	<p>The role of CCS in realising a low-carbon economy Starting from the role for CCS foreseen in the Commission's Roadmap to a competitive low-carbon economy in 2050, this event will set out the EU's work on CCS. It will include presentations of the EU directive on CCS and the NER300 funding programme for demonstration of low-carbon technologies.</p>	<p>European Commission, Directorate-General for Climate Action Karsten Krause Karsten.krause@ec.europa.eu Tel: +32 229 52725 Mobile: +32 479 091 832</p>	EU pavilion- Brussels room
10.30– 12.30 2 Dec	<p>REDD+, carbon stocks assessment and baseline setting: project-level inputs to Madagascar's national inventory This event will illustrate how forest carbon inventory and deforestation analysis using different tools (airborne LiDAR, allometric and soil carbon loss model, Overland, opensource tools) at the project level are crucial for setting an accurate REDD+ national baseline.</p>	<p>Fondation GoodPlanet, France Matthieu Tiberghien matthieu@goodplanet.org Tel: +33 6 85 66 87 02</p>	EU pavilion- Warsaw Room
13:00– 15:00 2 Dec	<p>What's new in financing climate action: Global figures and concrete innovations National and international financial institutions and experts will discuss recent global data on international public finance of climate change mitigation and adaptation. The event will look at concrete investments and an Innovative Climate Finance Report will be presented.</p>	<p>European Investment Bank (EIB) Viviana Sclari sclari@eib.org Tel: +35 262 149 2906</p>	EU pavilion- Warsaw Room
15.30– 17.30 2 Dec	<p>NAMAs – New opportunities for the transport sector A major expert workshop held in June 2011 addressed the main differences between the CDM and NAMAs in the transport sector. The results of this workshop and some interim results of TRANSfer, a 3-year project funded by Germany's International Climate Initiative, will be presented.</p>	<p>Federal Ministry for the Environment, Nature Conservation and Nuclear Safety, Germany Beatrice Ladusch beatrice.ladusch@bmu.bund.de Tel: +49 3018 305 2326</p>	EU pavilion- Warsaw Room
10.30– 12.30 2 Dec	<p>Analysis from the OECD/IEA Climate Change Expert Group The results of recent papers and workshops on key negotiation issues such as climate finance will be presented, followed by discussion with leading experts from developed and developing countries.</p>	<p>Governments of Estonia and Chile Pascale Rossignol Pascale.ROSSIGNOL@oecd.org Tel: +33 (0)1 45 24 96 58</p>	EU pavilion- Brussels room

13.00– 15.00 2 Dec	<p>MRV of GHG emissions: sharing the EU’s experience and vision</p> <p>The focus will be on the lessons learnt through implementation of the current MRV system under the Kyoto Protocol and on new developments in the EU’s domestic legislation. The EU’s progress in reducing its greenhouse gas emissions, and the policies and measures taken, will also be highlighted.</p>	<p>European Commission, Directorate-General for Climate Action Erasmia Kitou Erasmia.Kitou@ec.europa.eu Tel: +32 229 58219 Mobile: +32 498 958 219</p>	<p>EU pavilion- Brussels room</p>
15.30– 17.30 2 Dec	<p>Kyoto Protocol - past and future emissions</p> <p>This event will present GHG emission trends and analyse emissions based on the 2011 national inventories of Annex I Parties and the national communications from non-Annex I Parties. The key factors influencing future GHG emissions will be discussed by Parties.</p>	<p>Ministry of Economy, Poland Urszula Allam-Pelka urszula.allam-pelka@mg.gov.pl Tel: +48 22 693 50 39 Filip Frenkiel filip.frenkiel@mg.gov.pl Tel:+48 22 693 50 39</p>	<p>EU pavilion- Brussels room</p>
18.00– 20.00 2 Dec	<p>Wales and Scotland: An innovative approach to combating climate change</p> <p>Wales and Scotland have made strong commitments on climate change in support of climate action by the United Kingdom and EU. This event will look at the partnerships Wales and Scotland are building with developing countries, UN agencies and multilateral development banks.</p>	<p>The Governments of Wales and Scotland Gavin Barrie Gavin.Barrie@scotland.gsi.gov.uk Tel :+ 0131 244 0204 Mobile : + 07769 163 454</p>	<p>EU pavilion- Brussels room</p>
13.00– 15.00 3 Dec	<p>Leveraging funds for climate change in developing countries: the EU in action</p> <p>This event will showcase financing mechanisms developed by the EU and experience in mobilising additional funding for investments by leveraging loans and partner countries’ own contributions. Climate Change Windows (CCW) and the Global Energy Efficiency and Renewable Energy Fund will be presented.</p>	<p>European Commission, Directorate-General for Development and Cooperation – EuropeAid torsten.ewerbeck@ec.europa.eu johanna.peyredieu-du-charlat@ec.europa.eu Patrice.moussy@ec.europa.eu Tel: +32 229 69318</p>	<p>EU pavilion- Warsaw Room</p>
15.30– 17.30 3 Dec	<p>Breakthrough in IMO: The first legally binding global CO2 standards for an industry sector</p> <p>The Energy Efficiency Design Index adopted by IMO in July 2011 will be the focus of this event. EEDI, which will apply to new ships built from 2015, represents the first ever mandatory global GHG reduction regime for an international industry sector.</p>	<p>Ministry of Agriculture, Natural Resources and Environment, Cyprus Nicoletta Kythreotou Nkythreotou@environment.moa.gov.cy Mobile: +35799773389</p>	<p>EU pavilion- Warsaw Room</p>

18.00– 20.00 3 Dec	<p>Agriculture and climate change in developing countries</p> <p>This event will discuss a range of climate issues related to small farmers in developing countries. These include the role of smallholder agriculture, particularly livestock farming, in climate mitigation and food security as well as the potential for replication of adaptation strategies.</p>	<p>Agronomes et Vétérinaires Sans Frontières, France Adeline Giroud a.giraud@avsf.org Tel: +33 478 69 67 95</p>	<p>EU pavilion- Warsaw Room</p>
13.00– 15.00 3 Dec	<p>Agroforestry as a key model for REDD+</p> <p>This event will highlight two agroforestry success stories from Democratic Republic of Congo and Colombia which form part of national REDD+ strategies and are highly replicable in the Congo and Amazon basins. The Moringa fund, a dedicated agroforestry vehicle, will also be presented.</p>	<p>ONF International, France Marie Jaudet marie.jaudet@developpement-durable.gouv.fr Tel: +33 6 64 40 22 46</p>	<p>EU pavilion- Brussels room</p>
15.30– 17.30 3 Dec	<p>The Road to Rio+20: An update and exchange on the latest activities regarding Low Emission Development (LED)</p> <p>This event will update partners on latest developments in the area of low emission development (LED) and share latest knowledge products and analytical results. The dialogue will provide an opportunity to develop ideas for supporting LED efforts in developing countries in a well coordinated manner.</p>	<p>The World Bank Aditi Maheshwari aditimaheshwari@worldbank.org Tel: +12026317260</p>	<p>EU pavilion- Brussels room</p>
10.30– 12.30 5 Dec	<p>Green economy: towards a low carbon society</p> <p>Drawing on examples from Germany and other countries, this event will highlight the potential of green markets and the economic opportunities of a transition towards a low carbon society (e.g. efficiency gains, innovation effects, business opportunities, green jobs).</p>	<p>Federal Environment Agency, Germany Beatrice Ladusch beatrice.ladusch@bmu.bund.de Tel: +49 3018 305 2326</p>	<p>EU pavilion- Warsaw Room</p>
13.00– 15.00 5 Dec	<p>Tackling aviation emissions through the EU Emissions Trading System</p> <p>The EU Emissions Trading System has been operating since 2005 and covers aviation emissions from 2012. This event will provide an opportunity to discuss the EU's legislation and the need to advance market-based actions to address aviation emissions.</p>	<p>European Commission, Directorate-General for Climate Action KIZZIER Kelley Kelley.Kizzier@ec.europa.eu Tel: +32 229 57259 Mobile: +32 479 091 948</p>	<p>EU pavilion- Warsaw Room</p>

15.30– 17.30 5 Dec	<p>EU support to capacity building on climate change financial aspects and MRV</p> <p>The event will focus on capacity building for financial management of climate-related support and for MRV in developing countries. The debate will look at lessons learnt, best practices and gaps/needs for future actions. An update will be given on the EU–UNDP Low Emission Capacity Building Programme.</p>	<p>European Commission, Directorate-General for Development and Cooperation - EuropeAid, with participation of UNDP Etienne.Coyette@ec.europa.eu Tel: +32 229 88321</p>	<p>EU pavilion- Warsaw Room</p>
18.00– 20.00 5 Dec	<p>Wallonia initiative on fast start finance: projects in African LDCs</p> <p>This event will illustrate how sub-national initiatives with innovative approaches, such as the fast start initiative of Belgium’s Wallonia region, are meeting the needs of local communities in Africa. The Network of Regional Governments - nrg4SD - will present sub-national governments’ commitments.</p>	<p>Region of Wallonia, Belgium Stéphane Nicolas ste.nicolas0@gmail.com Tel :+32476 91 62 10</p>	<p>EU pavilion- EU pavilion- Warsaw Room</p>
10.30– 12.30 5 Dec	<p>France’s first National Adaptation Plan</p> <p>This event will present the content of France’s five-year adaptation plan, adopted in July 2011, and give an overview of the method behind it. The plan includes 230 adaptation measures in 20 areas.</p>	<p>Ministry of Ecology and Sustainable Development, France Marie Jaudet marie.jaudet@developpement- durable.gouv.fr Tel: +33 6 64 40 22 46</p>	<p>EU pavilion- Brussels room</p>
13.00– 15.00 5 Dec	<p>Innovative and effective approaches to climate change adaptation in Africa: EU experiences</p> <p>The EU is providing adaptation assistance to Africa through the Global Climate Change Alliance (GCCA) and geographical programmes. Partner countries and the EU will explain how they promote innovative approaches and ensure alignment with countries’ agendas and long-term capacity-building.</p>	<p>European Commission, Directorate-General for Development and Cooperation - EuropeAid COYETTE Etienne RENIER Paul Tel :+32 229 88321</p>	<p>EU pavilion- Brussels room</p>
15.30– 17.30 5 Dec	<p>Country-level assessments of climate change impacts</p> <p>This event will present a major new assessment, carried out by the UK Met Office Hadley Centre in collaboration with global scientists, to summarise the observed and projected impacts of climate change in individual countries. The project has captured this new science work in an engaging format.</p>	<p>UK Government Alison Conboy Alison.conboy@decc.gsi.gov.uk Tel: + 44 3000 68 55 64</p>	<p>EU pavilion- Brussels room</p>

18.00– 20.00 5 Dec	The EU Roadmap for a competitive low-carbon economy in 2050 and impacts on industry The Commission’s low-carbon Roadmap sets out a cost-effective pathway and milestones for reducing the EU’s GHG emissions by 80-95% by 2050. This event gives an overview of the roadmap and focuses on how the EU’s industrial competitiveness might be affected.	European Commission Arianne.labat@ec.europa.eu Mobile: +32 498 982 770 Joachim.ehrenberg@ec.europa.eu Tel: +32 229 58145	EU pavilion- Brussels room

U.S. Center

Time	Title/Theme	Organizer	Venue
10.00–12.00 28 Nov	<p>Fires In Africa</p> <p>Extensive biomass burning takes place throughout sub-Saharan Africa. Representatives from NASA will showcase their ongoing collaborative research activities related to these fires, as well as the relevant applications of this research that have provided societal benefits in Africa.</p>	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
13.00–14.30	<p>SERVIR: Bringing Climate Data To East Africa</p> <p>SERVIR makes available previously inaccessible information and builds the capacity of developing country partners to use this information to make better informed decisions about a range of issues including disaster response, biodiversity conservation and climate change.</p>	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza

<p>15.00– 16.30 28 Nov</p>	<p>Capturing The State Of The Climate System Through International Collaboration</p> <p>The year 2010 was notable for being one of the two warmest years on record, and for the far-reaching impacts of major climate variability patterns that brought extreme weather to many parts of the globe.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>17.00– 18.30 28 Nov</p>	<p>Improving Regional Cooperation For Mitigation And Adaptation To Drought</p> <p>The Global Drought Monitor is designed to provide high-level assessments of drought conditions, then allow users to easily access maps and information at increasingly finer scales—from continental to regional, to national.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>10.30– 12.00 29 Nov</p>	<p>Sharing Data, Information And Knowledge To Catalyze Clean Energy Development Globally</p> <p>Open Energy Information (OpenEI) web portal, an open platform developed to share and link data, information, tools, training materials and other resources to support clean energy development globally.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>13.00– 14.30 29 Nov</p>	<p>Launching A Climate Services Partnership</p> <p>Developing and delivering climate services is not easy; it requires a clear understanding of users' needs and providers' capabilities, a systematic approach to knowledge sharing and the development of strong partnerships.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>13.00– 14.30 29 Nov</p>	<p>FEWS - Drought And Famine Early Warning In The Horn Of Africa</p> <p>The Famine Early Warning Systems Network identifies critical situations requiring food aid, helping target over \$1.5 b. of assistance to more than 40 countries each year. FEWS NET has developed its own “climate service” for early identification of agricultural drought that triggers food insecurity</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>

<p>15.00– 16.30 29 Nov</p>	<p>Climate Risk Management Tools For Rural Resilience</p> <p>USAID-supported programs in Ethiopia, Kenya, and Senegal are incorporating drought micro-insurance as an innovative tool for climate change adaptation, complementing other adaptive measures such as capacity building, savings, and credit.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>17.00– 18.30 29 Nov</p>	<p>Global Partnership: Enhancing Capacity for Low Emission Development Strategies</p> <p>Low Emissions Development Strategies (LEDS) Global Partnership, a collaborative effort of over 27 organizations from government, NGO, and multilateral organizations dedicated to advancing collaboration, information sharing and cooperation on low emissions development around the globe.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>10.30– 12.00 30 Nov</p>	<p>Building Capacity To Develop And Sustain Robust National GHG Emissions Inventories</p> <p>This event will highlight how the U.S. EPA, USAID and the UNFCCC are helping countries develop the technical and institutional capacity to prepare national greenhouse gas inventories through application of the Intergovernmental Panel on Climate Change methodologies</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>15.00– 16.30 30 Nov</p>	<p>Building Climate Resilient Sustainable Agriculture Through The U.S. Feed The Future Initiative</p> <p>Climate change is a cornerstone of the U.S. government’s Feed the Future initiative. Its impacts on agriculture threaten both food production and the most important source of income for the poor. Fortunately, science is opening channels for tackling some of the most challenging problems.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>17.00– 18.30 30 Nov</p>	<p>Public-Private Partnerships To Build Climate Resilient Sustainable Agriculture In Africa</p> <p>As the world’s population grows, finding ways to produce food and resources from land in environmentally, economically, and socially sustainable ways is increasingly becoming a priority. Governments cannot tackle this alone.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>

<p>10.30– 12.00</p> <p>1 Dec</p>	<p>Fast Start Finance And Beyond</p> <p>This side event will highlight the U.S. commitment to the full implementation of the Copenhagen Accord through “fast start” appropriations and speak about transitioning towards mobilizing additional funding in the long term, through private sector leveraging.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>13.00– 14.30</p> <p>1 Dec</p>	<p>Global Methane Initiative: Achieving Cost-Effective GHG Emission Reductions</p> <p>Methane is a potent greenhouse gas with large near-term cost-effective mitigation potential and GMI provides the technology transfer opportunities and capacity building necessary to accelerate the development of emissions reduction projects worldwide.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>17.30– 18.30</p> <p>1 Dec</p>	<p>Enhancing Capacity For Low Emission Development Strategies</p> <p>Low Emission Development Strategies are paving the way for the low-carbon future and the United States is at the forefront of working with partner countries to mobilize resources to this end.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>10.30– 12.00</p> <p>2 Dec</p>	<p>Clean Energy Technologies For The Developing World</p> <p>This panel discussion will feature U.S. businesses and government agencies who are partnering with other entities in developing countries, including those in Africa, to deploy commercially-available clean energy technologies.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>12.00– 13.00</p> <p>2 Dec</p>	<p>Renewing the Future through Investments</p> <p>This side event will highlight the ongoing successes of the USG and in particular detail OPIC’s own successes in catalyzing billions of dollars of private sector investment into renewable resources projects around the world.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>

13.00– 14.30 2 Dec	A Public-Private Model For Climate Change Finance This event will showcase the recent activities of the Private Financing Advisory Network (PFAN) to leverage private financing for climate change projects through targeted private sector capacity building interventions.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
15.00– 16.30 2 Dec	Seeing The People With The Trees: Social Dimensions In REDD+ How and why do people matter in efforts to promote REDD+? Why should we consider gender issues in REDD+ planning and programming? Does paying attention to social dimensions improve the effectiveness and efficiency of reducing emissions through REDD+?	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
17.00– 18.30 2 Dec	Advances In Climate Modeling For Improved Decision Support Systems U.S. science agencies develop and use high-resolution climate models to advance climate research, to improve our ability to predict future climate, and to inform decision-support systems for a wide range of applications. Climate models are essential tools for estimating variability and changes.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza

Other activities

Descriptions of the events listed below have been reproduced as received, and without formal editing.

Please note that the UNFCCC Secretariat now requires proposals for NGO activities and actions to be received at least two days in advance.
