**UNFCCC Documents Questionnaire**

The UNFCCC secretariat has launched a review of its official documents in order to enhance their readability and user-friendliness. As part of this review, the secretariat has prepared a brief questionnaire, which is distributed with today's Daily Programme, to gather the views of the readers of the documents. We believe that these insights will be extremely valuable in understanding how these documents could be improved and would be grateful if as many delegates as possible could complete the questionnaire and return it to the Documents Distribution counter. Please be assured that all responses will be kept confidential.

**Welcome to the UNFCCC Website Survey 2011**

The UNFCCC secretariat is looking to improve the functionality and information organization of the unfccc.int website. As part of this effort, the secretariat is carrying out an online website survey. We would appreciate if you could take a few minutes to provide your input, as website users and/or as participants in the UNFCCC climate change process, which will give valuable insights into potential improvements. We would be grateful if as many participants as possible could complete the online survey which can be accessed at <<http://www.surveymonkey.com/s/G82Q538>>. Please be assured that all responses will remain confidential.

**Vacancies at the UNFCCC secretariat**

Conference participants are encouraged to bring to the attention of qualified individuals in their countries/organizations the link to the employment page of the secretariat website:

<<http://unfccc.int/secretariat/employment/recruitment>>

Three professional positions are currently advertised. A number of further vacancies ranging from entry level to management level are expected to be advertised during the remaining months of 2011.

The secretariat is committed to ensuring equitable geographical distribution and gender balance among its staff. To this end, it would like to especially encourage qualified women candidates and candidates from developing countries to apply for vacancies.

**New UNFCCC roster of consultants**

The UNFCCC has recently launched an online roster of consultants to be considered for future assignments.

The UNFCCC consultant roster is an online database of specialized consultants used for sourcing expertise for short- and long-term assignments with our secretariat. Potential consultants can now register directly online via the new roster:
