UNITED NATIONS FRAMEWORK CONVENTION ON CLIMATE CHANGE

Ad Hoc Working Group on Long-term Cooperative Action under the Convention

Fifteenth session

Bonn, 15–24 May 2012

Item 3(b)(v) of the provisional agenda

Various approaches, including opportunities for using markets, to enhance the cost-effectiveness of, and to promote, mitigation actions, bearing in mind different circumstances of developed and developing countries

Views on the new market-based mechanism

Submissions from admitted observer organizations

1. The Conference of the Parties, at its seventeenth session, invited Parties and admitted observer organizations to submit to the secretariat, by 5 March 2012, their views on the matters referred to in paragraphs 83 and 84 of decision 2/CP.17, including their experiences, positive and negative, with existing approaches and mechanisms as well as lessons learned (decision 2/CP.17, para. 85).

2. The secretariat has received 20 such submissions from admitted observer organizations (see the annex). In line with established practice, the submissions from intergovernmental organizations¹ and the submissions from non-governmental organizations² have been posted on the UNFCCC website in the language in which they were received and without formal editing.
