COP 18 and CMP 8
Doha, 26 November – 7 December 2012

Daily Programme

Addendum

Preliminary List of speakers for the high-level segment

The list below is the preliminary list of speakers who have registered their wish to deliver a statement at the high-level segment of the COP and the CMP.

The list is provisionally divided into morning and afternoon segments to facilitate the organization of the order of speakers.

All speakers are reminded to be present in the plenary 10 minutes, or at least two speakers, prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium.

Representatives are reminded that statements made during the high-level segment should not exceed the **three-minute limit**, as decided by the Conference of the Parties at its first plenary meeting. Given the large number of statements, it is suggested that statements be as brief and concise as possible.

The Daily Programme is available to view and download through the [UNFCCC website](#) and the ISPS portal [PaperSmart.un.org](#). Participants are kindly reminded to consult the CCTV monitors for any last-minute changes. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.

Full texts of the official statements will not be circulated in hard-copy form during the high-level segment. Statements delivered during the high-level segment will be uploaded and made available on the UNFCCC website and via the ISPS portal. Delegations are requested to e-mail a copy of the statement to PaperSmart@un.org, preferably one day before the delivery of the statement. All Parties are kindly requested to provide the ISPS desk in the plenary with **15 copies** of their statements in advance to meet the needs of the interpreters and the Conference records.

Should Parties not wish to speak but prefer to only have their statements uploaded to the UNFCCC website and the ISPS portal, the secretariat will make arrangements to have this done and enter the statement in the records of the Conference. Parties interested in taking up this offer should communicate their interest to Ms. Grace Smith or Ms. Mehrican Eser of the External Relations team, located in the Conference Affairs Services office, Ground floor, Green Zone, in the vicinity of the security office, by 12:00 on Monday, 3 December 2012. Any other changes to the speakers' list should also be brought to the attention of the External Relations team.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.
