Access to Plenary I

For the opening of the High Level Segment, access is based on the ticket system outlined below. For the subsequent days of the High Level Segment, the plenary is open for all. Please note that tickets to attend the opening ceremony of the High Level Segment can still be collected from the Main Information Desk located on level 1, (next to the spider) of the QNCC. The tickets must be collected by an authorized member of the delegation.

Tickets for access to Plenary I

Lavender ticket: Participants in possession of a Lavender ticket will have access to the ground floor of Plenary I.

Orange ticket: Holders in possession of an orange ticket will have access to the Gallery Section of Plenary I.

During the High Level Segment on Wednesday, 5 and Thursday, 6 December, each Party will have the opportunity to address the plenary. Only one intervention per Party has been foreseen. Heads of State and Heads of Government will be the first to make national statements followed by Ministers, and Party representatives.

Attending Heads of State or Heads of Government will be driven to the VIP entrance of the QNCC. A lounge will also be available for the Heads of State or Heads of Government.

The list of speakers is included in this addendum and will be made available in the Daily Programme throughout the High Level Segment. **All speakers are reminded that they should be present in the plenary at least ten minutes before (or two speakers ahead of) their presentation.** Speakers will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved seating arrangement close to the podium and they will be invited to take the floor. After their statement, they will be escorted again to their respective seat behind their country plates.

Arrangements for bilateral meetings

Parties who may wish to organize bilateral meetings between Heads of States or Heads of Government should proceed to do so through the standard diplomatic channels.

Other practical and logistical questions related to the High Level Segment should be directed to the External Relations team located in the Conference Affairs Office (CAS) located in the Conference Affairs Services office, ground floor, south Foyer of the QNCC.

**List of speakers for the High Level Segment attended by Heads of State
and Heads of Government and other heads of delegation**

The list below is the preliminary list of speakers who have registered their wish to deliver a statement at the high-level segment of the COP and the CMP. The list is provisionally divided into morning and afternoon segments to facilitate the organization of the order of speakers.

Representatives are reminded that statements made during the High Level Segment should not exceed the **three-minute limit**, as decided by the Conference of the Parties at its first plenary meeting. Given the large number of statements, it is suggested that statements be as brief and concise as possible. Statements delivered during the high-level segment will be uploaded and made available on the UNFCCC website and via the ISPS portal. Should Parties not wish to speak but prefer to only have their statements uploaded to the UNFCCC website and the ISPS portal, the secretariat will make arrangements to have this done and enter the statement in the records of the Conference. Parties interested in taking up this offer should communicate their interest to the External Relations team, who during the High Level Segment can be found in Plenary I. Any other changes to the speakers' list should also be brought to the attention of the External Relations team

Delegations are requested to e-mail a copy of the statement to PaperSmart@un.org, preferably one day before the delivery of the statement. All Parties are also kindly requested to provide the ISPS desk in the plenary with **15 copies** of their statements in advance to meet the needs of the interpreters and the Conference records.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.
