

United Nations Climate Change Conference 2012
COP 18 and CMP 8
Doha, 26 November – 7 December 2012

Daily Programme

Addendum

List of speakers for the High Level Segment

The high-level segment will continue on Thursday, 6 December in Plenary I. **Speakers are asked to check the list of speakers to have an indication of when they will speak, as there may be changes in the order and day of speakers.** All speakers are reminded that they should be present in the plenary at least ten minutes before (or two speakers ahead of) their presentation.

Speakers are reminded that statements made during the High Level Segment should not exceed the **three-minute limit**, as decided by the Conference of the Parties at its first plenary meeting. Given the large number of statements, it is suggested that statements be as brief and concise as possible. Statements delivered during the high-level segment will be uploaded and made available on the UNFCCC website and via the ISPS portal. Should Parties not wish to speak but prefer to only have their statements uploaded to the UNFCCC website and the ISPS portal, the secretariat will make arrangements to have this done and enter the statement in the records of the Conference. Parties interested in taking up this offer should communicate their interest to the External Relations team, who during the High Level Segment can be found in Plenary I. Any other changes to the speakers' list should also be brought to the attention of the External Relations team. Other practical and logistical questions related to the High Level Segment should also be directed to the External Relations team located.

The Daily Programme is available to view and download through the [UNFCCC website](#) and the ISPS portal [PaperSmart.un.org](#). Participants are kindly reminded to consult the CCTV monitors for any last-minute changes. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.

Delegations are requested to e-mail a copy of the statement to PaperSmart@un.org, preferably one day before the delivery of the statement. All Parties are also kindly requested to provide the ISPS desk in the plenary with **15 copies** of their statements in advance to meet the needs of the interpreters and the Conference records.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

The plenary is open for all and the proceedings can also be followed on the CCTV screens throughout the Conference Center.
