**Subsidiary Body for Scientific and Technological Advice**

**Thirty-sixth session**

**Bonn, 14–25 May 2012**

Agenda item 10(c)

**Methodological issues under the Convention**

**General guidelines for domestic measurement, reporting and verification  
of domestically supported nationally appropriate mitigation actions by  
developing country Parties**

**General guidelines for domestic measurement, reporting and  
verification of domestically supported nationally appropriate  
mitigation actions by developing country Parties**

**Draft conclusions proposed by the Chair**

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA), in accordance with decision 2/CP.17, paragraph 37, initiated its consideration of the development of general guidelines for domestic measurement, reporting and verification of domestically supported nationally appropriate mitigation actions by developing country Parties (hereinafter referred to as the guidelines).
  2. The SBSTA agreed to continue the interactive exchange of views on the guidelines with a view to agreeing on the next steps at its thirty-seventh session.
