**Subsidiary Body for Scientific and Technological Advice**

**Thirty-seventh session**

**Doha, 26 November to 1 December 2012**

Agenda item 7

**Research and systematic observation**

**Research and systematic observation**

**Draft conclusions proposed by the Chair**

**Addendum**

**Recommendation of the Subsidiary Body for Scientific and Technological Advice**

The Subsidiary Body for Scientific and Technological Advice, at its thirty-seventh session, recommended the following draft conclusions for adoption by the Conference of the Parties at its eighteenth session:

**Draft conclusions on research and systematic observation**

The Conference of the Parties noted with appreciation the outcome of the Extraordinary Session of the World Meteorological Congress, held in Geneva, Switzerland, from 29 to 31 October 2012, regarding the further implementation of the Global Framework for Climate Services,<sup>1</sup> which aims to strengthen the production, availability, delivery and application of science-based climate prediction and services.
