The UNFCCC secretariat is looking to improve the functionality and information organization of the unfccc.int website.

The secretariat would appreciate if conference participants could take a few minutes to provide feedback [online](#), as users of the website, and/or as stakeholder in the UNFCCC climate change process

Availability of meeting rooms

The demand for meeting rooms is expected to exceed the capacity of the conference premises and priority will be given to meetings directly associated with the negotiating process. The secretariat appreciates participants' understanding in this connection. Meetings will therefore only be confirmed at the earliest one day prior to the requested meeting taking place.

Delegation nameplates

Delegates are kindly requested not to remove country nameplates from the meeting rooms. The secretariat is unable to replace these at short notice and this can lead to serious disruptions at meetings.

Staff at the media registration counter facilitate booking of the Press Conference Room and interviews with United Nations officials.
