

United Nations Climate Change Conference 2014
COP 20 and CMP 10
Lima, 1 December – 12 December 2014

Daily Programme

Addendum

The high-level segment, to be attended by Heads of State and Heads of Government, ministers and other heads of delegations, will be inaugurated during the morning of Tuesday, 9 December 2014. Statements by Heads of State and Heads of Government, ministers and other heads of delegations will be heard in joint meetings of the COP and CMP. National Statements will continue on Wednesday, 10 and Thursday, 11 December 2014. The high-level segment will conclude on the afternoon of Thursday, 11 December 2014 with statements by inter-governmental and non-governmental organizations.

Access to Plenary Lima

Exclusively, for the opening of the high-level segment on Tuesday, 9 December and the Presidential segment on the morning of Wednesday, 10 December 2014, access is based on a ticket system. Delegations should have already received their tickets from the Information desk. No entry to the plenary is allowed without a ticket. The proceedings can also be followed on the screens in Plenary Cusco and on the CCTV screens throughout the Conference Center.

Please note that tickets to attend the opening ceremony of the high-level segment can still be collected from the Information Desk located on Zone B. The tickets must be collected by an authorized member of the delegation. For the subsequent days for other high-level segment plenaries on Tuesday, 9 December and Wednesday 10 December 2014, no tickets will be required.

During the high-level segment, each Party will have the opportunity to address the plenary. Only one intervention per Party has been foreseen. Heads of State and Heads of Government will be the first to make national statements followed by Ministers, and Party representatives.

Attending Heads of State or Heads of Government will be driven to the VVIP entrance of the Conference Venue. A lounge will also be available for the Heads of State or Heads of Government. The list of speakers is included in this addendum and will be made available in the Daily Programme throughout the high-level segment. **All speakers are reminded that they should be present in the plenary at least ten minutes before (or two speakers ahead of) their presentation.**

Participants are kindly reminded to consult the CCTV monitors for any last-minute changes. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.

GE.14-23417

Speakers will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved seating arrangement close to the podium and they will be invited to take the floor. After their statement, they will be escorted again to their respective seat behind their country plates.

Arrangements for bilateral meetings

Parties who may wish to organize bilateral meetings between Heads of States or Heads of Government should proceed to do so through the standard diplomatic channels.

Other practical and logistical questions related to the high-level segment should be directed to the External Relations team located in the Conference Affairs Office in Zone E in the Conference Affairs Services offices or in Plenary Lima during the high-level segment.

List of Speakers for the High-Level Segment attended by Heads of State and Heads of Government and other heads of delegation

The list below is the preliminary list of speakers who have registered and confirmed their wish to deliver a statement at the high-level segment of the COP and the CMP. The list is provisionally divided into morning and afternoon segments to facilitate the organization of the order of speakers.

All speakers are reminded to be present in the plenary 10 minutes, or at least two speakers, prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium.

Representatives are reminded that statements made during the high-level segment should not exceed the **three-minute limit**, as decided by the Conference of the Parties at its first plenary meeting. Given the number Parties and the limited amount of time available for statements, it will be necessary to limit the duration of each statement. In fairness to all speakers, time limits will be strictly enforced. It is suggested that statements be as brief and concise as possible. Following United Nations practice, a mechanism will be used to assist speakers in respecting this limit. **A bell system will signal speakers when the limit is approaching and speakers will be interrupted should they exceed the time limit.**

Parties are also encouraged to reduce oral statements to the 3 minute limit on the understanding that the full version of their statements will be posted on the UNFCCC website.

Full texts of the official statements will not be circulated in hard copy in plenary during the high-level segment. Statements delivered during the high-level segment will be uploaded and made available on the UNFCCC website. In order to have statements posted on the UNFCCC webpage, Parties speaking at the high-level segment are requested to e-mail an electronic copy of the statement to the following e-mail address <external-relations@unfccc.int>.

All Parties are kindly requested to provide the Conference Officer in the plenary with **15 copies** of their statements in advance to meet the needs of the interpreters and the Conference records.

Should Parties not wish to speak but prefer to only have their statements uploaded to the UNFCCC website, the secretariat will make arrangements to have this done and enter the statement in the records of the Conference. Parties interested in taking up this offer should communicate their interest to the External Relations team who during the high-level segment can be found in Plenary Lima. Any other changes to the speakers' list should also be brought to the External Relations team.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

Tuesday, 9 December 2014

Immediately following the Opening Ceremony of the High-Level Segment – 13.00

H.E. Mr. Juan Evo Morales Ayma
President

PLURINATIONAL STATE OF BOLIVIA *speaking on behalf of the Group of 77 and China and delivery of National Statement*
