UNFCCC online survey

Announcement for National Focal Points and Designated Contact Points

Earlier this week, an email was sent to NFPs and DCPs requesting your participation in the secretariat's online client survey on the quality of conference services provided at these sessions (the survey link was included in the message).

The survey will be available online until 30 June 2015. Please contact the UNFCCC Information Desk if you have any questions with regard to accessing the survey (dedicated tablet computers can be made available for your use). Your participation and valuable feedback are greatly appreciated.

COP 21/CMP 11 information desk

The COP 21/CMP 11 team invites all participants to visit the COP 21/CMP 11 information desk, located in front of room Wien 1-3, where they can learn more about the logistical arrangements for COP 21/CMP 11.

The information desk is happy to provide participants with information on accommodation, transportation, and the booking of delegation offices and pavilions.

For additional information, please visit the official COP 21/CMP 11 website:

[<http://www.cop21.gouv.fr/en>](http://www.cop21.gouv.fr/en)

WiFi and Internet services Due to the new infrastructure of the venue, WiFi and internet services may currently not be fully operational in some areas. The secretariat appreciates participants understanding in this connection.

In case of problems with WiFi services, kindly call + 49 (0)228 8151200, send an email to NOC@unfccc.int, or approach the nearest computer center for assistance. Please provide your contacts so that the IT team can reach you.

Security Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience, but it is expected that participants will appreciate the need for such arrangements.

Climate Action Fair Virtual Expo The Climate Action Fair Virtual Expo is an online platform to virtually showcase information related to the in-session technical expert meeting topics: Renewable Energy Supply and Accelerating Energy Efficiency Action in Urban Environments. The Virtual Expo includes relevant initiatives and projects submitted by Parties and observer organizations, as well as materials and presentations related to the Climate Action Fair side events and exhibits.
