## Subsidiary Body for Implementation

Forty-second session

Bonn, 1–11 June 2015

Agenda item 8

**Poznan strategic programme on technology transfer**

## Poznan strategic programme on technology transfer

### Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) welcomed the report of the Global Environment Facility (GEF) on the progress made in carrying out the Poznan strategic programme on technology transfer.<sup>1</sup>
2. The SBI also welcomed the collaboration between the Climate Technology Centre and Network (CTCN) and the regional technology transfer and finance centres supported by the GEF under the Poznan strategic programme. It invited the GEF to provide more detailed information on its ongoing collaboration with the CTCN in its future progress reports.
3. The SBI also invited the GEF to provide financial support to Parties not included in Annex I to the Convention (non-Annex I Parties) that have not yet conducted their technology needs assessments (TNAs) under the Poznan strategic programme so that they may do so, in accordance with decision 11/CP.17, paragraph 2. The SBI recalled its invitation to the GEF at SBI 40<sup>2</sup> to provide support for the implementation of the results of TNAs, including technology action plans and project ideas.<sup>3</sup>
4. The SBI noted that the CTCN may provide technical support to non-Annex I Parties, at their request, to facilitate the implementation of TNAs conducted or updated under the Poznan strategic programme, in line with its functions decided by the Conference of the Parties (COP) at its sixteenth session.<sup>4</sup>
5. The SBI welcomed the interim report of the Technology Executive Committee (TEC) on the evaluation of the Poznan strategic programme,<sup>5</sup> undertaken with the aim of enhancing the effectiveness of the Technology Mechanism, and looked forward to the final

report of the TEC on the findings of the evaluation, which will be provided to the COP through SBI 43 (November–December 2015).

6. The SBI encouraged those providing inputs to the evaluation of the Poznan strategic programme to consider how the programme may provide support for technologies for adaptation and take into account gender responsiveness.

7. The SBI also encouraged the TEC, in evaluating the Poznan strategic programme, to continue to consult Parties, the Green Climate Fund, GEF implementing agencies and other relevant entities on how to enhance the effectiveness of the Technology Mechanism.
