## ANNOUNCEMENTS

### Climate Action Fair

From 18-25 May, UNFCCC is coordinating a Climate Action Fair for the May 2016 session, which encompasses the activities related to pre-2020 action by Parties and non-Party stakeholders. Click [here](#) for the brochure with all the events and meetings.

### 13.00–14.30: Free Ben & Jerry's Ice Cream for Delegates!

In order to boost support for action on climate change, Ben & Jerry's Ice Cream is treating delegates to free ice cream outside the main entrance (Gate 1) of the World Conference Centre today. The company is also promoting Avaaz's worldwide petition to world leaders calling for a transition to 100% clean energy. Come to this event to sample free ice cream and show your support for action on climate change.

## USEFUL INFORMATION

### Election of officers of bodies under the Convention and the Protocol

Please consult the [UNFCCC elections website](#) for latest information on election procedures and daily updates of election nominations and election results.

### Side events and exhibits

The [schedule of side events](#) and a [list of the exhibits](#) are available in electronic form only. Please consult the CCTV monitors for changes or updates.

The side events are organized under the common theme “Accelerating implementation of the Paris Agreement” and are clustered in three [categories](#): Enhancing ambition, Promoting implementation, and Providing support to developing countries.

In an on-going effort to improve side event organization, the secretariat welcomes feedback from side event audience. Please share your views on the side event you attended via [this link](#).

### Climate Change Resources Corner (CCRC)

Parties and admitted observer organizations without an exhibit are welcome to display their electronic materials at the CCRC, located next to the exhibit area. In line with the sustainability efforts to reduce carbon footprint of UNFCCC sessions and meetings, only electronic materials can be accepted. Visual materials (e.g. video, slideshow) will be displayed on two screens and other types of materials (e.g. publications) will be available through Poken. To make use of this option, please send a request to [see@unfccc.int](mailto:see@unfccc.int).

### “Touch-to-collect” technology (Poken)

In line with the sustainability efforts for SB 44, innovative “touch-to-collect” technology (Poken) is introduced as a pilot project. Poken is a platform for collecting digital information and networking in a user-friendly way.

Participants can receive a personal Poken device, at no charge, at the Poken booth located in the exhibit area. Poken, once registered with personal login information, allows collecting digital information from the exhibits, the Paris Agreement booth, the COP 22/CMP 12 booth, the Climate Neutral Now booth and the Climate Change Resources Corner (CCRC). The registration of personal login information also allows an exchange of digital business cards among participants holding a personal Poken device.

Once collected information is loaded on participants’ computer and the conference is over, Poken devices are no longer needed. Participants are invited to contribute to sustainability by recycling their Poken device on the last day.

### Press briefings

The live daily schedule of press briefings is available [here](#). Please consult the CCTV monitors for changes or updates.

### List of participants

The provisional list of registered participants is available [here](#). Any corrections should be sent of given to [Ms. Vera-Lynn Watson](#) (Registration Counter) by noon, at the latest, on Tuesday, 24 May 2016.

### Document Services

Participants will be able to access and read documents prepared for and during the session in the following ways:

#### Electronically

- via the [UNFCCC](#) website (save them to your device for added convenience!)
- via the “Negotiator App”, available in the [Google](#) and [iTunes](#) stores

#### Print

- by requesting printed copies from Document Services at the Documents Counter
