## COP Presidency Event Health Actions for the Implementation of the Paris Agreement

13.15–14.45

Bonn Zone, Meeting room 2

This event will be convened by His Excellency Frank Bainimarama, COP 23 President and Prime Minister of the Republic of Fiji. It will start by launching an initiative to protect the health of the people of Small Island Developing States from climate risks, and to amplify the voices of the most vulnerable, for both climate change adaptation and mitigation.

It will include a discussion showcasing the ongoing initiatives of national governments, and the wider health community, in implementing the health commitments of the Paris Agreement, and the health and climate agenda. It will also aim to assess the current state of progress, and identify the ongoing barriers to stronger action to protect and promote health while addressing climate change. There will be special attention paid to the Least Developed Countries and Small Island Developing States.

## Logistical information

Logistical information can be found on the [COP 23 Information Hub](#) and on the [information for participants web page](#), including on the following: venue maps, transportation, availability of meeting rooms, media centre and press facilities, facilities for observer organizations, prayer rooms, distributing publications, lost and found, etc.

## Transportation

The Bonn region is well connected through public transportation, with trains, metros/ trams and buses running at short intervals. By courtesy of the State of North-Rhine Westphalia and the German Federal Government, transportation by bus, tram, metro and regional trains (RB, RE) will be free of charge in Bonn, Cologne and in-between, including the Ahr valley (“expanded VRS area”), for all registered participants in the two-week sessional period.

Detailed information on public transportation to and the shuttle service on the conference site can be found [here](#).

## Information about the Bonn Zone

While all participants are strongly recommended to use the public transport and special shuttle services provided to go to the Bonn Zone, participants travelling by private vehicles need to disembark their vehicles at the main entrance of the Park and walk to the main entrance of the Bonn Zone. The Government of Germany will provide special transport service to the Heads of State and Government only from the entrance of the Park to the main entrance of the Bonn Zone.

No parking is allowed for vehicles at the main entrance of the Park and parking of bicycles are only allowed in the designated areas. There is a special lane for VVIPs (HOS/G) and VIPs (Ministers) at both main and secondary entrances. All other participants need to follow the lanes and go through the security screening procedures.

Participants are recommended to check the [COP23 website](#) or contact the Federal Ministry of Environment of Germany at [<liaison-COP23@bmub.bund.de>](mailto:liaison-COP23@bmub.bund.de) for more information.
