Information about the Bonn Zone

Access to Bonn Zone

The quickest and most convenient option for transportation between Bula Zone and Bonn Zone are the various shuttle services. We kindly recommend using these options.

When approaching the Bonn Zone by car, please bear in mind that accessing Rheinaue park by vehicle is absolutely prohibited. Participants travelling by private vehicles need to disembark their vehicles at the main entrance of the Park and walk to the main entrance of the Bonn Zone. The Government of Germany will provide special transport service to the Heads of State and Government only from the entrance of the Park to the main entrance of the Bonn Zone.

Parking around Bonn Zone

While there is a drop-off point at the main entrance on Herbert-Wehner-Platz, please do note that parking there is prohibited. In the case that a Minister would like to be dropped off here, we kindly request that the vehicle is parked along Heinemannstrasse, in walking distance from the drop-off point. On both sides of Heinemannstrasse there are a limited number of parking lots, which are exclusively foreseen for Ministers at COP23 (the lots are labeled with a COP23 logo sign).

To ensure the quick and reliable identification of a Minister’s car, we recommend placing a printed copy of their Bonn Zone vehicle decal visibly inside the car, e.g. behind the windshield. We also kindly ask you to add the name of your delegation to the decal in case of security-relevant situations.

Participants are recommended to check the latest updates about [logistics around Bonn Zone](#) or contact the Federal Ministry of Environment of Germany at liaison-COP23@bmub.bund.de for more information.
