

Conference of the Parties  
Tenth session  
Buenos Aires, 6–17 December 2004

# Daily Programme

1

No. 9

## Official meetings<sup>2</sup>

### *Opening of the high-level segment*

*His Excellency, Mr. D. Nestor Carlos Kirchner, President of Argentina, will open the high-level segment. Access to Plenary I will be limited after 10.15 a.m. Participants are requested to take their seats by 10.20 a.m. The opening ceremony will begin at 10.30 a.m. The proceedings of Plenary I will be broadcast in Plenary II and on all CCTV monitors.*

*Vehicles will be unable to access calle Juncal after 10 a.m.*

## Conference of the Parties (COP)

(Open meeting)

10 a.m. – 1 p.m.

**High-level segment**  
[Agenda item 10]

**Plenary I**  
(Ceibo)

1. Opening of the high-level segment
2. Statements from heads of United Nations bodies and specialized agencies

<sup>1</sup> The Daily Programme is also available on the UNFCCC COP 10 web site at: <[http://unfccc.int/meetings/cop\\_10/](http://unfccc.int/meetings/cop_10/)> and includes hotlinks to the documents, schedules and other items listed.

<sup>2</sup> Please consult the CCTV monitors for any last-minute changes to this programme.

Participants are kindly requested to retain copies of documents throughout the sessions, in order to reduce paper consumption.

## Conference of the Parties (COP)

(Open meeting)

3 p.m. – 6 p.m.

### High-level segment

[Agenda item 10]

Plenary I

(Ceibo)

### Panel discussions among ministers and other heads of delegation

Panel No. 1: “The Convention after 10 years: accomplishments and future challenges”

*For further information, please see below.*

#### **Information on the panel discussions during the high-level segment**

*The high-level segment of COP 10 will include four panel discussions, which will be the mode for exchanges between ministers and other heads of delegation.*

#### **Arrangements**

*The panel discussions will be convened in one of the plenary halls. **Each delegation** will have **one seat at the microphone** and one adviser seat behind. There will also be **overflow seating** in the room. **Observers** may attend the panel discussions which will also be broadcast on the CCTV monitors and on the web.*

#### **Opening presentations**

*For each panel discussion, the panel moderator will make an opening statement. The panel members will then be invited to offer their views.*

#### **Interventions from the floor**

*Following the opening presentations, **the floor will be opened for comments** by ministers and other heads of delegation. Parties should **raise their flags** to indicate their interest in making a contribution.*

*Due to the short time available, ministers and heads of delegation are invited to provide short and focused commentaries of **no more than three minutes**.*

#### **The four panels**

*The President of COP 10 has invited representative groupings of panellists and moderators to participate in the following four panel discussions:<sup>1</sup>*

#### **(1) The Convention after 10 years: accomplishments and future challenges**

*(Wednesday, 15 December 2004, from 3 p.m. to 6 p.m., Plenary I)*

| <b>Provision of statements to the Media Centre</b> | Delegations wishing to have their statements distributed to the media are kindly requested to leave copies at the Media Information Counter in the Green Pavilion. Staff will make copies of all statements received and distribute them within the Centre.   |  |
| <b>Climate Change Kiosk</b>                        | Located in the exhibit area, the Climate Change Kiosk (CCKIOSK) is staffed daily between 9 a.m. and 7 p.m. The Climate Change Kiosk's primary goal is to provide information about the climate change process and the secretariat. A special feature of the CCKIOSK is the climate talk series that features presentations by delegates, NGOs, specialized agencies and others on a specific theme. This year's theme is "Ten years on ... success stories in the climate change process". Please visit the kiosk or consult the <a href="#">online schedule</a> for full details.  |  |
| <b>Climate Talk Day</b>                            | <p>The fifth and last Climate Talk Day, which will take place today, will feature:</p> <p>4–4.30 p.m. Bridging gaps in dealing with climate change:<br/>The case of Peru<br/>(PROCLIM-CONAM Consejo Nacional del Ambiente Peru)</p> <p>4.30–5 p.m. 15 years of climate protection in Barcelona<br/>(City of Barcelona, Barcelona City Council, Spain)</p> <p>5–5.30 p.m. Adapting to climate change: Some success stories from Bangladesh<br/>(International Institute for Environment and Development, United Kingdom)</p> <p>6.30–7.15 p.m. Presentation of the UNFCCC publication "<b>Los diez primeros años</b>" and the <b>Spanish language module</b> of UNFCCC.INT</p> | CCKIOSK  |
| <b>Security</b>                                    | Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements.  |  |
| <b>Lost and found items</b>                        | <b>Participants are reminded not to leave personal belongings unattended in meeting rooms, corridors or offices.</b> The Security office, located opposite the Registration area in the Foyer, is responsible for lost and found items.   |  |

## Events

For a full schedule of side events during the sessions and a list of the exhibits, please see the brochure "**...inSide climate change**", available from the Information desk and the Documents distribution counter, or visit the UNFCCC [web site](#). The secretariat would like to note that the scheduling of events remains dependent upon the demands of the negotiating process. For short-term changes please consult the CCTV monitors.

### UNFCCC and related events

| Time             | Title   | Theme   | Organizer   | Venue                       |
|------------------|---|---|---|-----------------------------|
| 1 p.m.<br>3 p.m. | How to make the UNFCCC process carbon neutral | Presentation on work in progress at UNFCCC targeted at making the process and the secretariat carbon neutral. | UNFCCC<br>Florin Vladu<br>(49-228) 815-1422<br><a href="mailto:fvladu@unfccc.int">fvladu@unfccc.int</a> | Alerce<br>(Yellow Pavilion) |

### Side events

| Time             | Title  | Theme   | Organizer   | Venue                         |
|------------------|--|---|---|-------------------------------|
| 1 p.m.<br>3 p.m. | The Climate Group - Global leaders for climate solutions | This solutions-focused event will highlight the world's leading reducers of greenhouse gas emissions from the public and private sectors. It will include a number of high-profile speakers from city, state and national governments, as well as multinational corporations.                                       | The Climate Group<br>Jim Walker<br>+44 1932 268306<br><a href="mailto:jwalker@theclimategroup.org">jwalker@theclimategroup.org</a>                                      | Aguaribay<br>(Green Pavilion) |
| 1 p.m.<br>3 p.m. | Is climate change dangerous to human health?             | WHO, ISDE and CAN-Europe will show, through case studies, the effects of dangerous climate change to human health.  | World Health Organization (WHO)<br>Bettina Menne<br>+39 06 4877546<br><a href="mailto:bme@who.it">bme@who.it</a>  | Cardón<br>(Green Pavilion)    |
| 1 p.m.<br>3 p.m. | Climate risks and 2° C                                   | Questions: What greenhouse gas emission profiles and ultimate stabilization levels are likely to limit global mean temperatures to below 2° C? How much warming are we committed to already? What are the implications of a 2° C target for climate impacts?  | Swiss Federal Institute of Technology (ETHZ)<br>Malte Meinshausen<br>+41 1 632 0894<br><a href="mailto:malte.meinshausen@env.ethz.ch">malte.meinshausen@env.ethz.ch</a> | Coihue<br>(Yellow Pavilion)   |
| 1 p.m.<br>3 p.m. | Linking greenhouse gas markets                           | The European Union emissions trading scheme (EU ETS) is due to start on 1 January 2005. Other markets such as the Canadian domestic emissions framework (DEF) are being developed in the meantime. What are the conditions and perspectives for linking these markets to form a truly global greenhouse gas market? | International Emissions Trading Association (IETA)<br>Edwin Aalders<br>+41 22 8393-192<br><a href="mailto:aalders@ieta.org">aalders@ieta.org</a>                        | Cedro<br>(Yellow Pavilion)    |

| Time             | Title   | Theme   | Organizer  | Venue                         |
|------------------|---|---|--|-------------------------------|
| 6 p.m.<br>8 p.m. | Adaptation in OECD countries  | A review of experiences from some OECD countries in developing and implementing adaptation responses to climate change. Chaired by the Deputy Secretary-General of the OECD and including presentations by senior representatives from New Zealand, United Kingdom, Australia, France and Finland.              | Organisation for Economic Co-operation and Development (OECD)<br>Carolyn Sturgeon<br>+33 1 45 24 19 66<br><a href="mailto:carolyn.sturgeon@oecd.org">carolyn.sturgeon@oecd.org</a> | Aguaribay<br>(Green Pavilion) |
| 6 p.m.<br>8 p.m. | Global warming and human rights: the case of the Arctic                     | The Inuit Circumpolar Conference is working to defend the rights of the Inuit and protect their Arctic heritage from dangerous global warming. The ICC is working with CIEL and Earthjustice to develop a claim to the Inter-American Commission on Human Rights.   | Center for International Environmental Law (CIEL)<br>+1 202 785 8700<br>Donald M. Goldberg<br><a href="mailto:dgoldberg@ciel.org">dgoldberg@ciel.org</a>                           | Alerce<br>(Yellow Pavilion)   |
| 6 p.m.<br>8 p.m. | A long-term climate change framework – regional views                       | Encouragement of regional and national business and industry organizations from Europe, Japan, United States of America, South Africa, Argentina, and elsewhere to give views on the development of long-term policies in their regions, and the feasibility of blending these into a lasting global framework. | International Chamber of Commerce (ICC)<br>Norine Kennedy<br>+1 212 703-5052<br><a href="mailto:nkennedy@uscib.org">nkennedy@uscib.org</a>   | Cardón<br>(Green Pavilion)    |
| 6 p.m.<br>8 p.m. | Finance for carbon solutions: the CDM from the financial sector perspective | UNEP's Finance Initiative will launch its new CEO briefing on the CDM. The event will also highlight what the financial sector can offer in terms of other carbon solutions and will also cover the sector's understanding of risks and opportunities for CDM projects.   | Insurance Initiative in association with UNEP<br>Lisa Petrovic<br>+41 22 917 8686<br><a href="mailto:lisa.petrovic@unep.ch">lisa.petrovic@unep.ch</a>                              | Caldén<br>(Yellow Pavilion)   |
| 6 p.m.<br>8 p.m. | World energy outlook 2004: implications for energy and environmental policy | An outline of IEA's latest projections for energy-related CO <sub>2</sub> emissions to 2030. It will also present an alternative scenario showing CO <sub>2</sub> and energy savings achievable through energy policies and technologies, and their cost implications   | Italy and Norway<br>Claudia Jones<br>+33 1 40 57 66 50<br><a href="mailto:claudia.jones@iea.org">claudia.jones@iea.org</a>   | Cedro<br>(Yellow Pavilion)    |

**Events in the BINGO room**

| Time             | Title  | Theme  | Organizer  | Venue                     |
|------------------|--|--|--|---------------------------|
| 1 p.m.<br>3 p.m. | Energy and climate along the forest products value chain | Exposure of the forest products industry: a policy issues discussion that includes the unintended impacts of climate policy such as competition with the renewable energy sector, HWP accounting systems, national-ization of carbon credits, exclusion from the CDM of forest management, and subsidies for less renewable and carbon-friendly materials. | World Business Council for Sustainable Development (WBCSD)<br>Laurent Corbier  | Tipa<br>(Yellow Pavilion) |
| 6 p.m.<br>8 p.m. | Unlocking Russia's JI potential                          | Ratification by the Russian Federation has the potential to leverage huge amounts of additional investment through the sale of ERUs and AAUs. The event will highlight recent developments and barriers that still need to be overcome.  | International Emissions Trading Association (IETA) in collaboration with the World Business Council for Sustainable Development (WBCSD)<br><br>Simon Schmitz<br><a href="mailto:schmitz@wbcsd.org">schmitz@wbcsd.org</a> | Tipa<br>(Yellow Pavilion) |

**Events in the Blue Pavilion****European Union**

The European Union (EU) will host daily events during the conference.  
Details may be found at: <[www.euclimatepresentation.net](http://www.euclimatepresentation.net)>.

| Time             | Title   | Theme   | Organizer  | Venue               |
|------------------|---|---|--|---------------------|
| 1 p.m.<br>3 p.m. | The promise of carbon sinks in future commitment periods: new scientific findings in Europe | Presentations by the European Commission, University of Tuscia (Viterbo, Italy), IIASA (Laxenburg, Austria), Joanneum Research (Graz, Austria) and the Max-Planck-Institute for Biogeochemistry (Jena, Germany).  | European Commission and partners   | Room 1<br>(EU Area) |
| 1 p.m.<br>3 p.m. | Emission trade towards the world market: Italy and Latin America                            | Emission trading towards the world market: Italian-Latin American networks supporting environmental enhancement of local programmes, a bridge to the Italian vanguard technology offer (from a programme with Brazil on the development of regional networks); aspects of Italian technology; and launch of the Recycling Fund. | Ministry for the Environment and Territory, Italy in collaboration with ItalSystem | Room 2<br>(EU Area) |

| Time                | Title   | Theme   | Organizer  | Venue               |
|---------------------|---|---|--|---------------------|
| 6.30 p.m.<br>8 p.m. | Follow-up to "Renewables 2004", Bonn, Germany<br><br>Renewable energies and climate change - international initiatives and national actions | Further development of renewables at a global level, including the Renewable Energy and Energy Efficiency Partnership (REEEP), the Johannesburg Renewable Energy Coalition (JREC) and MEDREP. Contributions of renewable energy to the successful mitigation of greenhouse gas emissions and their role in future international climate policy. | H.E. Mr. Jürgen Trittin<br>Federal Minister for the Environment, Nature Conservation and Nuclear Safety, Germany in collaboration with the European Union and ministers from Denmark, United Kingdom, Argentina, Morocco and China | Room 1<br>(EU Area) |

### Argentina

| Time             | Title  | Theme  | Organizer  | Venue               |
|------------------|--|--|--|---------------------|
| 1 p.m.<br>3 p.m. | Presentaciones de negocios con Créditos de Carbono | Fondo Clean Teach (Participaciones y oportunidades en Argentina)<br>Estudio de caso de biogás de rellenos sanitarios.                                | Econergy Argentina – Ecoenergy International Corporation in collaboration with STM Argentina LTD | Auditorio Argentino |
| 6 p.m.<br>8 p.m. | Casos de CDM en Latinoamérica                      | Casos a tratar:<br>– Arcelor – Belgo Mineira<br>– CST – Companhia Siderúrgica Tubarão<br>– Sadia (food company)<br>– Ripasa (pulp and paper company) | PricewaterhouseCoopers Argentina   | Auditorio Argentino |

### Others

| Time             | Title  | Theme   | Organizer  | Venue  |
|------------------|--|---|--|--|
| 1 p.m.<br>3 p.m. | The Kyoto train: where do we go next?                    | Key conclusions from the latest issue of IRES (International Review for Environmental Strategies), focusing on its assessment of the Kyoto Protocol and directions for future climate regimes. Panel discussion on how to move forward in designing and implementing the future climate regime. | Institute for Global Environmental Strategies (IGES), Japan in collaboration with The Energy and Resources Institute (TERI), India | Room B-30<br>Bernardo Houssay<br>(behind commercial event open space in Blue Pavilion) |
| 6 p.m.<br>8 p.m. | Next steps for CDM activities: gaps and ways to overcome | CDM promotion initiatives and capacity-building activities of the Ministry of the Environment of Japan. Experiences with other CDM promotion initiatives by UNDP and ADB and issues to be addressed for successful implementation of CDM projects.  | Institute for Global Environmental Strategies (IGES), Japan and partners   | Room B-30<br>Bernardo Houssay<br>(behind commercial event open space in Blue Pavilion) |

**Outside activities**

| Time                   | Title   | Theme   | Organizer                      | Venue   |
|------------------------|---|---|--------------------------------|---|
| All day                | Greenpeace Climate Ark  | A scaled-down replica of the Greenpeace Climate Ark – currently on display at the Buenos Aires obelisk – will be situated at the entrance to COP 10 for the duration of the conference. The Ark hosts a climate impact photo exhibition and a series of events and press briefings. | Greenpeace                     | Entrance to conference facilities                               |
| 8.30 a.m.<br>9.15 a.m. | "Rubber boots are not good enough - cut CO <sub>2</sub> emissions now!" | Adaptation issues are important for many countries but are no alternative to cutting emissions. An installation with 189 pairs of rubber boots will remain at the location for the day.   | WWF                            | Entrance to conference facilities, outside the registraton area |
| 7 p.m.<br>8 p.m.       | Saxophonist   | A saxophonist will play Miles Davis music in celebration of the tenth anniversary of the Convention and the pending entry into force of the Kyoto Protocol.   | Fundación Jorge Esteban Roulet | Bar (Yellow Pavilion)   |
