The United Nations Framework Convention on Climate Change (UNFCCC) is the focus of the political process to address climate change. The UNFCCC secretariat supports the Convention, its Kyoto Protocol and the Paris Agreement through a range of activities, including substantive and organizational support to meetings of the Parties and the implementation of commitments. It is a dynamic organization working in a politically challenging environment to help resolve one of the defining environmental issues of our time.

Where you will be working

This position is located in the UNFCCC secretariat in Bonn, Germany, in the **Mitigation division** and specifically in the **Markets and Non-Markets Support and Stakeholders Interaction subdivision**, which provides effective support on matters relating to intergovernmental, substantive and technical support to Article 6.2, 6.4 and 6.8, Carbon Pricing, stakeholders' interaction, regulations development, delivering mandates under Article 6.2 (including review) and capacity-building on Article 6.

Within the subdivision is the **Regulations Development & Stakeholders unit**, which supports the work related to the development and management of regulatory framework of the mechanism established by Article 6, paragraph 4, of the Paris Agreement (Article 6.4 mechanism) and the Clean Development Mechanism (CDM) under the Kyoto Protocol, as well as interactions with stakeholders on regulatory matters of these mechanisms.

What you will be doing

Reporting to the unit Team Lead, P-4, you will draft new or revised standards, procedures and other regulatory documents for the Article 6.4 mechanism and the CDM and contribute to the management of related regulations; provide technical and substantive support for an adequate implementation and enforcement of standards, procedures and other regulatory documents, support cooperation among stakeholder groups and maintain their dedicated communication channels with regulatory bodies of the Article 6.4 mechanism and the CDM, as well as supporting intergovernmental processes.

Your responsibilities

- Drafting new or revised standards, procedures and other regulatory documents for the Article 6.4 mechanism and the CDM:**
 - Draft regulatory documents that are necessary to operationalize the Article 6.4 mechanism in accordance with the workplan of the Supervisory Body;
 - Draft revised regulatory documents necessary to maintain the CDM in accordance with the workplan of the CDM Executive Board;

- c. Present draft new or revised regulatory documents to the Supervisory Body or the CDM Executive Board, seek guidance from them, and finalize the documents;
 - d. Review the regulatory documents for the Article 6.4 mechanism and the CDM drafted by other staff in the division, and provide relevant inputs.
- 2. Contributing to the management of regulations of the Article 6.4 mechanism and the CDM:**
- a. Analyze the needs, areas and scope for the development of new or revised regulatory documents and ensure consistency among regulatory documents;
 - b. Oversee the management of document classification, versioning and hierarchy system in coordination with relevant units in the UNFCCC secretariat;
 - c. Oversee the improvement of document formatting and editorial standards.
- 3. Providing technical and substantive support for an adequate implementation and enforcement of standards, procedures and other regulatory documents for the Article 6.4 mechanism and the CDM:**
- a. Provide advice of policy or legal nature to the Supervisory Body and the CDM Executive Board on the development of new and revised regulations;
 - b. Provide technical and substantive support to national governments (designated national authorities of Parties), designated operational entities, project developers and other stakeholders to appropriately comply with the regulations by indicating and clarifying relevant regulatory provisions;
 - c. Provide technical and substantive input for responding to communications from stakeholders on regulatory matters of the Article 6.4 mechanism and the CDM based on the guidance from the Supervisory Body or the CDM Executive Board, as appropriate.
- 4. Supporting the intergovernmental processes on the Article 6.4 mechanism and the CDM:**
- a. Support intergovernmental negotiation processes on the Article 6.4 mechanism or the CDM at Conferences of the Parties and Subsidiary Body sessions, upon request;
 - b. Contribute to the preparatory work for supporting intergovernmental negotiation processes.
- 5. Perform any other job-related activity required to achieve the goals and objectives of the unit, subdivision, division and/or the secretariat.**

Competencies:

Applying Professional Expertise: Demonstrates expertise of subject matter and the transferable skills required for the function; shows the capacity to apply knowledge to deliver results based on acquired background and experience; seeks opportunities to apply own technical skills across related disciplines, keeps abreast of new developments and technologies in the field of expertise, actively seeks to expand the existing level of job knowledge and expertise.

Communicating with impact: Speaks clearly and directly and is able to express views in an understandable, credible and persuasive manner; writes in a well-structured and logical manner, in keeping with established UN standards; openly shares information and keeps people informed; uses appropriate communication tools to disseminate information; Listens carefully to understand other's views and responds appropriately; seeks feedback and adjusts language, tone, style and format to match the audience.

Working with Teams: Builds relationships of trust and exchange with colleagues; works collaboratively with colleagues to achieve results and respects the needs of the team; recognizes opportunities to enhance team effectiveness and results by tapping into diverse backgrounds, skills and experience; supports and acts in accordance with team decisions, even when such decisions differ from own position; encourages the participation of all members of the team regardless of their cultural background,

nationality, gender or sexual orientation; shares credit for team accomplishments and accepts joint responsibility for team shortcomings.

Your qualifications

Educational Background:

Required: Advanced university degree (Master or equivalent) in law, economics, business administration, management, engineering, environmental studies, development studies or related fields is required. First-level university degree (Bachelor or equivalent) in combination with two additional years of qualifying experience may be accepted in lieu of the advanced university degree.

Experience:

Required: A minimum of five (5) years of professional work experience in the development or implementation of standards, procedures and other types of regulations in the public or private sector.

Language skills:

Required: Fluency in written and spoken English is required. Working knowledge of other UN official language is desirable.

What is the selection process?

Evaluation of qualified candidates may include an assessment exercise which may be followed by a competency-based interview. The above listed set of competencies will be applied for this particular post.

How to apply:

Candidates, whose qualifications and experience match what we are looking for, should use the online application system available at <http://unfccc.int/secretariat/employment/recruitment>

Please note:

1. Service is limited to the UNFCCC secretariat.
2. UNFCCC staff members with a fixed term appointment can apply for this temporary opportunity under the modality of Temporary Assignment. Please note that the Director of the Division in which the selected candidate works has the discretion to determine whether or not the staff member can be released for a temporary assignment, taking into account operational requirements. For this reason, the selected candidate will have to present a written agreement to the staff member's release.
3. We will confirm receipt of your application. However, only candidates under serious consideration and contacted for an interview will receive notice of the final outcome of the selection process.
4. Indicative net monthly salary and allowances:
