

Enhanced science-policy dialogue and communication

Katrine Krogh Andersen

Denmark

On the science-policy dialogue

- How to improve:
 - participation?
 - attractiveness?
 - relevance?
- Continued workshops
- Informing the negotiation tracks
- Feedback on benefit for research programmes

Communication within this process and beyond

- Introductory information on CC science for delegates
- Regular bulletins on scientific advances from organisations
- Interactive Q&A process
- Calendar of key science-policy meetings
