12.55 – 13.00	Concluding remarks by the co-chairs (<i>5 minutes</i>)
13.00	End of Workshop

Questions

Questions to guide the statements and facilitate discussions:

- What are climate change impacts on agriculture observed in your country?
- What experience does your country have with the practice and approaches for dealing with adaptation of agriculture to climate change impacts?
- What experience does your country have with application of scientific knowledge for enhancing the adaptation in agriculture while promoting productivity and taking into account co-benefits?
