

8<sup>th</sup> meeting of the Adaptation Committee

# Agenda item 5(a) AC task force on NAPs

Outline for a paper on support available for the process to formulate and implement NAPs

Bonn, Germany, 9 to 12 September 2015

**Sadya Ndoko, Programme Officer**

UNFCCC secretariat, Adaptation programme

## II: Introduction and background

---

- ❖ The paper is part of the work of the NAP TF, as agreed by the AC
- ❖ Paper seeks to provide a snapshot of support available to developing countries for the NAP process

## II: Summary

---

### ❖ Suggested outline (in summary):

- First part - Short introduction of the NAP process, its objectives and guiding principles
- Second part:
  - ✓ Information on support clustered under 6 categories: a) guidance, b) financial support, c) technical and institutional capacity-building support, d) technological support, e) science and climate services, and f) knowledge hubs and platforms
  - ✓ When possible, support is differentiated also according to the reach: global, regional, and national
- Third part: annex

### III: Next Steps

---

- ❖ The AC may wish to agree on:
  - Suggested approach and scope
  - Suggested outline
  
- ❖ The AC may also decide on:
  - Format
  - Timeline for completion
  - Strategy for dissemination
