

*8<sup>th</sup> meeting Adaptation Committee*

# Agenda item 4 (a) Adaptation-related mandates under the Convention

**Breakout group discussions: GCF report to the COP**

Bonn, Germany, 9 to 12 September 2015

## Activities identified for the future workplan of the AC

---

- ❖ 1. Collaborate with the LEG, SCF and the GCF Secretariat to develop an information paper on how many and what the experience has been of countries in accessing the readiness program in supporting adaptation, including the preparation of the NAP process.
- ❖ 2. Continue to engage with the GCF Secretariat to understand its policies and programmatic priorities as they relate to adaptation *[note to AC: we would like more information about GCF co-financing policy and their grants/loans policy, NIE capacity criteria, NIE accreditation, readiness programme]*

## Recommendation by the AC for consideration by the COP

---

The Conference of the Parties:

*(Regarding GCF policies)*

1. Invites the GCF to consider how it can support the development of adaptation proposals, building from lessons learned from the LDCF and its Project Preparation Grant approach.
2. Invites the Board of the GCF to consider supporting the advancement of NAPA implementation, and to clearly communicate how it will do so.

*(Regarding programme priorities)*

3. Invites the Board of the GCF to consider in its programmatic priorities paragraph 12 and 14 of decision 1/CP.16.
