SECRETARIAT OF THE UNITED NATIONS FRAMEWORK CONVENTION ON
CLIMATE CHANGE

Mr. Simon Stiell, Executive Secretary

Platz der Vereinten Nationen
I P.O. Box 260124
53153 Bonn,
Germany

Subject: Submission of the updated Nationally Determined Contribution of the Republic of Serbia for the period until 2035

Dear Mr. Stiell,

The Ministry of Environmental Protection of the Republic of Serbia presents its compliments to the United Nations Framework Convention on Climate Change Secretariat and has the honor to communicate the updated *Nationally Determined Contribution of the Republic of Serbia for the period until 2035*, in accordance with the obligations under the Paris Agreement.

Nationally Determined Contribution of the Republic of Serbia for the period until 2035 (NDC 3.0) has been adopted by the Government of the Republic of Serbia on 4 September 2025, with a GHG emission reduction target of 40.1% by 2035 compared to 1990 levels, which represents a fourfold increase in ambition relative to the initial Nationally Determined Contribution (2015), as well as progression of ambition compared to NDC 2.0 (2022).

The Ministry of Environmental Protection of the Republic of Serbia avails itself of this opportunity to renew to the Secretariat of the United Nations Framework Convention on Climate Change the assurances of its highest consideration.

Sincerely,

MINISTER

Sara Pavkov
