Subject : Transmittal of the Second Nationally Determined Contribution (SNDC) of the Republic of Indonesia

Dear Mr. Stiell,

I have the honor, in my capacity as the National Focal Point of the Republic of Indonesia to the United Nations Framework Convention on Climate Change (UNFCCC), to convey herewith the Second Nationally Determined Contribution (SNDC) of the Republic of Indonesia.

This submission is made in accordance with Article 4, paragraph 2 of the Paris Agreement, and is formally transmitted following the submission letter from H.E. Hanif Fasiol Nurofiq, Minister of Environment/ Head of the Environmental Protection Agency of the Republic of Indonesia.

The SNDC represents Indonesia's enhanced ambition and continued commitment to the global response to climate change. It provides quantifiable information on reference points, timeframes, and implementation approaches, as well as enhanced measures to ensure transparency, inclusivity, and fairness in light of our national circumstances.

Please find enclosed the official communication from the Minister of Environment/ Head of the Environmental Protection Agency of the Republic of Indonesia, along with the full document of the SNDC of the Republic of Indonesia, for your kind consideration and registration by the UNFCCC Secretariat.

Thank you for your attention and continuous support.

Yours Sincerely,

Ary Sudijanto
