

## **Introduction of agenda item 4(a)**

# **Coherence and collaboration on adaptation-related issues under the Convention**

**Presentation by Luke Daunivalu**

**Third meeting of the Adaptation Committee**

**18-20 June 2013**

**Bonn, Germany**

# I: Background and context

---

- **Key outcomes of AC2 discussions:**
  - **Internal coordination**
  - **Outreach – approaches and strategy**
- **Follow up work during inter-sessional period**
  - **Leveraging the AC's mandates and adaptation priorities**
  - **Representation of AC in meetings of other relevant bodies**
- **Update, report and feedback from AC members on their attendance of meetings with other constituted bodies**

## II: Proposed next steps

---

- **Need to further consider and elaborate on:**
  - **Establishment of clear linkages with other constituted bodies**
  - **Modalities for achieving AC's objectives**

### III: Topics for further guidance

---

- **To ensure that the AC tidies up its own house first before reaching out to build coherence with other relevant bodies, what issues and factors should be addressed?**
- **How does the AC ensure that its collaboration with other Convention bodies on adaptation issues and activities are effective and productive?**
- **Other topics**
