

Introduction of agenda item 4h

Gathering up-to-date information on adaptation

Presentation by Christina Chan

Third meeting of the Adaptation Committee
18-20 June 2013
Bonn, Germany

I: Background and context

- **AC agreed to convene a meeting to gather up-to-date information on adaptation, including the limits of adaptation, in collaboration with the IPCC WG II**
- **Information on adaptation is regularly gathered and shared:**
 - **Under the UNFCCC, including through the NWP, the work programme on L&D, the Research Dialogue and the LEG in support of NAPAs and NAPs**
 - **Outside the UNFCCC, including through the IPCC and international and regional adaptation events**
- **IPCC WGII fifth assessment report (AR5) will be published in March 2014**

II: Proposed next steps

- **The AC may wish:**
 - **To agree on the key parameters of the meeting and finalize the scoping paper**
 - **To engage with the IPCC WGII and agree on modalities for cooperation**

III: Topics for further guidance

- **AC to consider:**
 - **Intended purpose, expected outcome and potential topics of the meeting**
 - **Ways of collaborating with the IPCC WGII, the NWP, the LEG, the work programme on L&D and other actors**
 - **Postponing the meeting from Q1 to Q2/Q3 of 2014 in order to await publication of IPCC AR5**
 - **Postponing discussions on the meeting until AC4**
