

10th meeting of the Adaptation Committee

Agenda item 5 (c)

Workstream A: Technical support and guidance to the Parties on adaptation action. Livelihoods and economic diversification

- Report on the expert meeting on livelihoods and economic diversification
- Draft information product on livelihoods and economic diversification

Bonn, Germany, 13 to 16 September 2016

Mr. Clifford Mahlung, Adaptation Committee member
Wednesday 14 September 2016

I: Introduction and background

- ❖ AC 9 considered two products (draft report AC/2016/6 and concept note AC/2016/7 for an information product) from the expert meeting that was held **7-8 September 2015** in Bonn, Germany, on **promoting livelihoods and economic diversification** to build resilience in the context of planning, prioritizing and implementing adaptation.
- ❖ Two products were prepared for consideration at AC 10 following the guidance from AC 9:
 - Report on the expert meeting AC/2016/17;
 - Draft information product AC/2016/18.

II: Summary

- ❖ The report of the expert meeting (AC/2016/17) contains:
 - Background information, overview and proceedings;
 - Summary of key issues;
 - Moving forward – issues for consideration:
 - ✓ By community and national levels as well as the private sector
 - ✓ Through the UNFCCC intergovernmental process.
- ❖ The draft information product (AC/2016/18) contains:
 - Background for the information product
 - Introduction, key messages, proposed graphics and sections

III: Next Steps

❖ The AC may wish to:

- Consider the final report (AC/2016/17) and develop recommendations for inclusion to COP 22, as appropriate.
- Finalize the draft information product (AC/2016/18) including consideration of:
 - ✓ Introduction, key messages, proposed graphics and sections
 - ✓ Suggested next steps (e.g. finalize layout, online publishing and promotion)
