

Introduction of agenda item 6b

Technical support for adaptation by regional institutions and UN agencies

Presentation by Luke Daunivalu

Sixth meeting of the Adaptation Committee

29 September to 1 October 2014

Bonn, Germany

I: Background and context

- AC5 - Ad-hoc group on technical support established
- Objectives of the group and scope of paper
 - Analyse existing technical support for adaptation action (based on submission to AC)
 - Propose modalities to strengthen and enhance coherence of the provision of support to developing countries

II: Summary

Modalities for engagement considered under the headings:

- Integration
- Involvement
- Information
- Investment

Main priorities:

- Encourage Parties, UN agencies and regional organizations to fully engage with and support **NAPs** as the overarching process to plan and implement adaptation at the national level.
- Strengthen the provision, and its coherence, of technical support on adaptation through stakeholder engagement and knowledge sharing under the **Nairobi work programme**

III: Next steps and key questions

The AC may wish to consider:

- Information in this document
- Prioritize modalities on guidance, advice and recommendations including in regards to
 - regional institutions and UN agencies
 - NAPs
 - NWP
- Future role of ad-hoc technical support group
