

12th meeting of the Adaptation Committee

Agenda item 7d

Meeting on national adaptation goals/indicators

Bonn, Germany, 19-22 September 2017

Background

- ❖ AC agreed to convening a meeting, in 2018, to **exchange views on national adaptation goals/indicators and how they relate to indicators/goals for sustainable development and for disaster risk reduction** in the context of the Sendai Framework for Disaster Risk Reduction 2015–2030
 - Under the Paris Agreement: a global goal on adaptation but no specified targets or indicators
 - 17 SDGs with 169 targets and 230 indicators, some of which are relevant for adaptation
 - Under the Sendai Framework: 7 targets and 38 indicators, some of which are relevant for adaptation
 - ❖ **Meeting proposed to be informed by:**
 - Review of national adaptation goals/indicators contained in NAPs and NDCs
 - Previous work by the AC on indicators in the context of M&E of adaptation
 - Submission received under the NWP on indicators of adaptation and resilience at national and/or local levels or specific sectors
 - Relevant work undertaken by UNISDR in the context of developing national-level indicators, the Inter-agency and Expert Group on Sustainable Development Goal Indicators and by other entities
-

Next steps

AC may wish to:

- Discuss topics for the meeting, including synergies across the three global agenda, qualitative vs. quantitative indicators, flexibility vs. comparability
- Setting up a working group consisting of interested AC members and observers to organize the meeting
- Requesting the secretariat to prepare, under the guidance of the working group, a background paper to inform the meeting
