ا المملكة العربية السعوديـة KINGDOM OF SAUDI ARABIA مكتب الوزير | MINISTER'S OFFICE

Ms. Patricia Espinosa **Executive Secretary United Nations Framework Convention on Climate Change (UNFCCC)** Bonn, Germany

Dear Ms Espinosa,

I have the pleasure to submit to the secretariat of the UNFCCC, the updated First Nationally Determined Contribution of the Kingdom of Saudi Arabia pursuant to decisions 24/CP.18, 1/CP.19 and 1/CP.20, 1/CP.21 and 1/CP.24.

This contribution outlines a set of actions and plans the Kingdom of Saudi Arabia intends to undertake to address the challenges posed by climate change within the framework of adaptation, economic diversification, minimization of the impacts of response measure and the achievement of sustainable development.

It is the sincere hope of the Kingdom that these actions and plans will yield mitigation co-benefits in the form of emission reduction, avoidance and removal as well as the enhancement of the country's resilience to the adverse impacts of climate change.

Accept Madame Executive Secretary, the assurances of my highest consideration and best wishes.

With my best regards,

Abdulaziz bin Salman bin Abdulaziz

**Minister of Energy**
