LMDC's Whole Picture on the Mitigation Section

I. *General Views*

Paris agreement is an implementing agreement under the UNFCCC. We support a short and concise mitigation section following the structure of the Convention.

II. *The Skeleton of the Core Agreement*

1. Common commitments by all Parties

2. Differentiated commitments

Note: How to reflect CBDR in the mitigation element should be the key issue to be resolved in the core agreement. Paragraphs 7 and 8 of Part III should be included in the core agreement.

3. Linkage between action and support/conditionality

Paragraph 12 of Part III shall be included in the core agreement.

4. Institutional arrangement

4.1.   Response measures (Paragraph 25 of Part III);

4.2.   Cooperative mechanism on sustainable development (Paragraph 20 of Part II);

4.3.   Joint mitigation and adaptation approach (Paragraph 20 of Part III);

4.4.   Joint implementation.

Note: For those sub-items above, general mandates on establishing or enhancing relevant institutional arrangements should be included in the agreement. Specific details, modalities and further work to be done related to these institutional arrangements could be included in the decision.

5. **Economic and social issues (Paragraph 26 of Part III)**

III. The Skeleton of the COP Decision

1. Specific details, modalities and further work to be done on the response measures;

2. Specific details, modalities and further work to be done on the cooperative mechanism on sustainable development;

3. Specific details, modalities and further work to be done on the joint mitigation and adaptation approach;

4. Specific details, modalities and further work to be done on the joint implementation

IV. Some Views on the Other Issues Reflected in the Tool

● *Long-term goal, progression and ambition should not only focus on mitigation. These issues should be dealt with in the General Section.*

● *Reporting, review, examination and accounting shall be dealt with in*

the Transparency Section.

- *Issues such as 'updating', timeframe and review related to CCA should be dealt with in Section J.*
