

|     | Decision Text  | Proposed Text   |
|-----|--|---|
| PP1 | <i>Recalling</i> decisions 1/CP.17, 2/CP.18, 1/CP.19 and 1/CP.20,  |   |
| PP2 | <i>Resolving</i> to uphold and promote international cooperation, to enhance the implementation of the Convention and to mobilize stronger more ambitious climate action by all actors,  |   |
| PP3 | <i>Noting</i> that enhanced pre - 2020 ambition can serve to enhance post - 2020 ambition and that actions taken to enhance pre- 2020 ambition can have significant application in a post-2020 context,  |   |
| PP4 | <i>Stressing</i> the urgency of accelerating the implementation of climate actions to enhance pre-2020 ambition,   |   |
| PP  |  | <a href="#"><u>Recognising the contributions of all actors, including Parties, multilateral initiatives, civil society, the private sector, financial institutions, cities and other subnational authorities, local communities and indigenous peoples, in the effort to enhance near-term mitigation ambition.</u></a> |
| PP  |  | <a href="#"><u>Recognising that the technical expert meetings are instrumental in collaboratively building an understanding of mitigation opportunities and barriers.</u></a>   |
| PP  |  | <a href="#"><u>Recognising that there are under-utilised mitigation opportunities that could be realised through greater voluntary multilateral and multistakeholder cooperation.</u></a>   |
| 1   | <i>Invites</i> each Party that has not already done so to ratify the Doha Amendment to the Kyoto Protocol and to make a pre-2020 mitigation pledge under the Cancun Agreement;   |   |
| 2   | <i>Invites</i> Parties with an existing mitigation commitment/pledge to consider opportunities for enhancing mitigation outcomes as identified through the technical examination process;  |   |
| 3   | <i>Recognizes</i> the need to further enhance finance, technology and capacity-building support to the efforts by developing country Parties related to pre-2020 action;   |   |
| 4   | <i>Reemphasizes</i> its request to developed country Parties, in preparing their updated biennial submissions on strategies and approaches for scaling up climate finance for the period 2016–2020, to enhance the available quantitative and qualitative elements of a pathway, placing greater emphasis on transparency and predictability of financial flows; |   |
| 5   | <i>Reiterates</i> its request to the Standing Committee on Finance to further explore how it can enhance its work on the measurement, reporting and verification of support, based on the best available   |   |

|      |  |   |
|------|--|---|
|      | information on the mobilization of various resources, including private and alternative resources, through public interventions;   |   |
| 6    | <i>Agrees</i> to further enhance the technical examination of opportunities with high mitigation potential, including those with adaptation, health and sustainable development co-benefits, in the period 2016–2020 with a focus on accelerating the implementation of actions; |   |
| 6bis |  | <a href="#"><u>Further agrees that the technical examination of opportunities with high mitigation potential should occur on an on-going basis, including during intersessional meetings, and subject to available resources, at relevant regional meetings.</u></a>  |
| 7    | <i>Decides</i> to continue this examination under the [COP] [Intergovernmental Preparatory Committee for the entry into force of the Paris Agreement];   |   |
| 8    | <i>Resolves</i> to improve the access of, and participation by, developing country experts in the technical examination process;   |   |
| 9    | <i>Encourages</i> Parties, Convention bodies, international institutions, and non - State actors to cooperate in facilitating the implementation of policy options and actions identified during the technical examination process;  | <del><i>Encourages</i></del> <a href="#"><u>Requests Parties, and Convention bodies and invites representatives of, international institutions, multilateral initiatives, and non - State actors to engage effectively in the technical examination process and cooperate in facilitating the implementation of policy options and actions identified during the technical examination process;</u></a>   |
| 9bis |  | <a href="#"><u>Requests the Technology Executive Committee and the Climate Technology Centre and Network to:</u></a><br><a href="#"><u>a. Enhance their efforts to support Parties in scaling up the implementation of policy options and actions identified during the technical examination process;</u></a><br><a href="#"><u>b. Engage effectively in the technical expert meetings in order to enhance the effective coordination and provision of support;</u></a><br><a href="#"><u>c. Include information on their activities under this paragraph in their joint annual report to the COP.</u></a> |
|      |  | <a href="#"><u>Invites Parties and admitted observer organizations to submit to the secretariat, information on specific initiatives undertaken and on policy options in areas of high mitigation potential, including their mitigation benefits, costs, co-benefits and barriers to their implementation and strategies to overcome those barriers, including the finance, technology and capacity-building resources required by developing country Parties.</u></a>  |
| 10   | <i>Requests</i> the secretariat to support and respond to this examination by:   |   |
| 10a  | Updating, on an annual basis, the technical paper on the mitigation  |   |

|     |  |   |
|-----|--|---|
|     | benefits of actions and on initiatives and options to enhance mitigation ambition;   |   |
| 10b | Preparing and publishing summaries for policymakers;   | Preparing and publishing summaries for policymakers <a href="#">at least three months in advance of the Conference of the Parties</a> ;   |
| 10c | Strengthening inter-convention cooperation and coordination;   |   |
| 10d |  | <a href="#">Strengthening intra - convention cooperation and coordination by organizing regular meetings, at least twice annually, with representatives of the Technology Executive Committee, Climate Technology Centre and Network, Green Climate Fund, Global Environment Facility, CDM Executive Board, and the Capacity Building Forum, to consider ways to accelerate the implementation of policy options and actions identified during the technical examination process, and the provision of support necessary for their implementation</a> ;   |
| 10e |  | <a href="#">Reporting to the COP on efforts by the Convention Bodies to enhance and support the technical examination process</a> ;   |
| 11  | <i>Acknowledging</i> with appreciation the results of the Lima - Paris Action Agenda building upon the climate summit convened on 23 September 2014 by the United Nations Secretary - General and the growing contribution and importance of these efforts to international cooperation to address climate change; |   |
| 12  | <i>Agrees to:</i>  |   |
| 12a | Provide in conjunction with each meeting of the Conference of the Parties an opportunity for announcing actions, voluntary initiatives, and coalitions, including by international institutions and non-State actors, and for recognizing these efforts;   | <del>Provide</del> <a href="#">Convene</a> in conjunction with each meeting of the Conference of the Parties, <a href="#">the high-level event on enhanced mitigation action at the Conference of Parties, established in 1/CP.19, as an opportunity for announcing actions, voluntary initiatives, and coalitions, including by international institutions and non-State actors, and for recognizing these efforts;</a>  |
| 12b | Provide meaningful and regular opportunities for the effective engagement of experts from Parties, relevant international organizations, civil society, indigenous peoples, women, youth, academic institutions, the private sector, and subnational authorities nominated by their respective countries;          | Provide meaningful and regular opportunities for the effective engagement of experts from Parties, relevant international organizations, <a href="#">multilateral initiatives</a> , civil society, indigenous peoples, women, youth, academic institutions, the private sector, and subnational authorities nominated by their respective countries;  |
| 13  | <i>Invites</i> the COP President to further strengthen high-level engagement on the implementation of policy options and actions arising from the technical examination process;   | <i>Invites</i> the <a href="#">current and incoming</a> COP Presidents to further strengthen high-level engagement on the implementation of policy options and actions arising from the technical examination process <a href="#">by each appointing a high-level champions to:</a><br><a href="#">a. Coordinate with the secretariat on the organisation of technical expert meetings pursuant to decision 1/CP.20 paragraph 19.</a><br><a href="#">b. Work with the Executive Secretary and the current and incoming COP Presidents to coordinate the annual high level event on enhancing the implementation of climate action</a> |

|                       |  |   |
|-----------------------|--|---|
|                       |  | <p><a href="#">pursuant to decision 1/CP.20 paragraph 21;</a></p> <p>a-c. <a href="#">Intensively engage with Parties and relevant non-Party stakeholders in furtherance of the activities referred to in paragraphs 13(a) and 13(b) above.</a></p>   |
| <a href="#">13bis</a> |  | <p><a href="#">Invites interested Parties and relevant organizations to provide funding and/or sufficient staff to support the work of the Co-Champions;</a></p> <p><a href="#">Requests the secretariat, in consultation with the President of the Conference of the Parties, to make arrangements enabling relevant United Nations agencies and other institutions to second staff to support the work of the Co-Champions;</a></p> |
| 14                    | <p><i>Decides to conduct a technical examination of adaptation beginning in 2016, building on the lessons learned from the technical examination of opportunities with high mitigation potential, recognizing the unique characteristics, stakeholders, and needs of cooperative action on adaptation, and also recognizing the need to build on, without duplication, existing arrangements under the Convention;</i></p> |   |
| 15                    | <p><i>Decides to conduct a periodic assessment of the technical examination of opportunities with high mitigation potential and the technical examination of adaptation with the aim of continuously improving their effectiveness.</i></p>  |   |
