TURKEY'S RETRACTION AND REVISED INPUTS TO DRAFT AGREEMENT AND DRAFT DECISION

Turkey would like to retract its previous input to Draft Decision-Mitigation Section Article 33. Instead Turkey wishes to make the below insertions:

1- Draft Agreement-Mitigation-Article 3-Para.9:

As para 9.ter: `Unilateral measures shall not constitute a means of arbitrary or unjustifiable discrimination or a disguised restriction on international trade.`

2- Draft Decision-Section III Decisions to Give Effect to the Agreement-Mitigation:

Para.33: Parties strengthen existing arrangements by establishing a cooperative mechanism (platform) under the Convention to manage the transition to low greenhouse gas pathways, which would identify and then measure the impacts and which would use existing tools as much as possible and further develop tools to address identified gaps and ensure their operationalization. The governing body shall develop and adopt modalities for a permanent forum under the Subsidiary Body for Scientific and Technological Advice (SBSTA)
