

Saint Lucia – textual insertion to Co-chairs’ Non-Paper, Article 3 (as it relates to the first nationally determined mitigation commitments/contributions), 22 October 2015

Each Party shall implement its first communicated nationally determined mitigation commitment set out in Annex [X] to the Agreement.

Information in each Party’s first nationally determined mitigation commitment set out in Annex X shall be elaborated for 2025 and 2030 in the public registry, taking account of the information set out in Annex [X] to the Agreement.

The stocktaking set out in Article 10 shall take into account information in the public registry.
