

### **New Article 3 quarter**

1. A Framework for Mitigation Mechanisms is hereby defined.
2. The purpose of the Framework for Mitigation Mechanisms shall be to assist Parties in fulfilling their nationally determined mitigation commitments [contributions]. For this purpose, any Party individually or collectively may establish and use mitigation mechanisms ruled by its own modalities and procedures, subject to compliance with [best practice guide] [methodological guidance and procedures] adopted by CMA at its first session. The outcomes of such approved mechanisms may be used by any Party for fulfilling its mitigation commitment.
3. This framework shall be under the authority and guidance of the CMA and be supervised by a body designated by the CMA.
