

DECISION TEXT- Light Editing Version

TECHNOLOGY DEVELOPMENT AND TRANSFER

48. *Decides* to strengthen the technology needs assessment (TNA) process taking into account existing efforts, including under the Poznan strategic programme on technology transfer, by enhancing:
 - a) The implementation of the results of the TNA process through, inter alia, technology action plans and project proposals;
 - b) The synergy between the TNA process and other arrangements related to the implementation of mitigation and adaptation actions, as appropriate;
 - c) **The operationalization of Decision 18/CP.20 in the TNA process towards achieving gender-responsive climate policy in all relevant activities under the Convention.**
49. *Requests* the Technology Executive Committee (TEC) to elaborate the means of strengthening the TNA process referred to in paragraph 48 above taking into account ongoing work relating to this matter, for consideration and adoption by the COP at its twenty-third session;
50. *Encourages* Parties to take steps to improve enabling environments and address barriers for technology development and transfer by:
 - a) Establishing and strengthening policy frameworks, institutions and capacity to build country ownership and innovation, **integrating a gender perspective and involving and strengthening the potential of citizens and communities**
 - b) Leveraging and attracting private sector investments and promoting access to public sector technology;
 - c) Strengthening the development and enhancement of endogenous capacities and technologies;
51. *Requests* the IPC to develop recommendations regarding the technology framework referred to in Article 7, paragraph 2, of the Agreement, for consideration and adoption by the CMA at its first session, taking into account the need to avoid duplication and the opportunity to create synergies. The IPC should consider, inter alia, the relationship between this framework and the technology transfer framework established by decision 4/CP.7, as well as the functions of the former and its linkage to the Technology Mechanism;
52. *Decides* that the TEC and the Climate Technology Centre and Network shall report to the CMA through the subsidiary bodies on their activities relating to the implementation of the Agreement;
