

## **EIG surgical edits (19.10.2015)**

### *Preamble (Gender and human rights):*

Emphasizing that parties shall, in all climate change related actions, fully respect human rights and gender equality

### *Preamble (Health):*

Recognizing that actions to address climate change bring co-benefits including the attainment of highest level of human health and ecosystem integrity

### *Cooperative Approaches 3.4bis:*

Parties when using cooperative approaches shall ensure that they deliver real permanent additional and verified internationally transferrable mitigation outcomes which shall only be accounted once.

### *Global Stocktake: (10.1)*

The CMA shall take stock of the implementation of this agreement to assess aggregate progress toward achieving the purpose of this agreement and the goals set in articles 3,4 and 6...
