

Report back agenda item 5(a): Report of the 2017 SCF Forum

- a) The SCF agrees to include the recommendations that have been finalized at SCF 16 in the SCF report to the COP 23.
- b) Area(s) requiring inter-sessional decision(s) by the SCF:
A longer report of the 2017 SCF Forum detailing what was discussed factually will be subsequently produced and distributed to members by the end of next week for comments and feedback. After the feedback and comments have been incorporated, a revised report will be distributed again for agreement on a non-objection basis.
