

Report back agenda item 6: Review of the functions of the Standing Committee on Finance

The SCF may wish to:

- a) Finalize its self-assessment report with a view to annexing it in its report to the Conference of the Parties;
- b) Take note of the informal note on the issue of membership of the Standing Committee on Finance (SCF), which would be posted on the website of the SCF in the background document section for the sixteenth meeting.
