

**United Nations**  
Framework Convention on  
Climate Change

Please join us for a networking breakfast on Gender Day:  
**Gender Day Breakfast: Capacity for Change**

Tuesday, 14 November  
8.00 -9.30

Restaurant Plenary Building, Bula Zone

Cafeteria near rooms Kleiner Saal & Kaminzimmer, next to  
Chamber Hall.

**Key guests will include ACE and Gender National Focal Points and  
Women Delegates Fund participants.**

Building on work at COP23 on capacity building, the Paris Committee on Capacity-building (PCCB), and gender-responsive climate policy, the *Capacity for Change* networking event will celebrate capacity building initiatives under the Convention, including those to advance gender-responsive climate policy and women’s leadership in climate diplomacy. Guests are invited to explore opportunities to share ideas for enhancing more equitable and effective information sharing, public education and capacity building. The networking reception will feature a short program, with inputs from women delegates and experts on capacity building under the Convention.
