

**SUGGESTION FORM THE EUROPEAN UNION TO ASSIST THE CO-CHAIRS AND CO-FACILITATORS TO CONSOLIDATE THE GENEVA TEXT - ADAPTATION**

Original paragraphs	Proposed paragraph
<p>51 Opt 4: Parties undertake national adaptation planning processes with a view to integrating climate resilience into national level planning and action in order to reduce vulnerability and strengthen governance and enabling environments. All Parties should take adaptation actions. Those Parties with limited capacities require support from those countries in a position to provide such support.</p> <p>51 Opt 8: Each Party to integrate adaptation within national development planning, mainstream adaptation into national policies, undertake the national adaptation plan (NAP) process, and strengthen governance and enabling environments. All Parties should take adaptation actions. Those Parties with limited capacities require support from those countries in a position to provide such support.</p>	<p>[Parties] [Each party] [undertake national adaptation planning processes with a view to integrating climate resilience into national level planning and action in order to reduce vulnerability] [to integrate adaptation within national development planning, mainstream adaptation into national policies, undertake the national adaptation plan (NAP) process] and strengthen governance and enabling environments.</p> <p>All Parties should take adaptation actions. Those Parties with limited capacities require support from those countries in a position to provide such support.</p>

Original Paragraphs	Proposal
<p><b>Paragraph 51.1. Option (b):</b> Developed country Parties to take the lead in combating climate change and the adverse effects thereof and commit under Article 4 of the Convention to support country-driven processes and proposals by developing countries, which are to be, inter alia, gender-sensitive, participatory and fully transparent, to take into account vulnerable groups and ecosystems, and be based on science and/or traditional and indigenous knowledge.</p> <p><b>Paragraph 51.3:</b> Developed country Parties to take the lead in combating climate change and the adverse effects thereof and commit under Article 4 of the Convention to support country-driven processes and proposals of developing countries, which are to be, inter alia, gender-sensitive, participatory and fully transparent, taking into account vulnerable groups and ecosystems, and be based on science and/or traditional and indigenous knowledge</p>	<p>Developed country Parties to take the lead in combating climate change and the adverse effects thereof and commit under Article 4 of the Convention to support country-driven processes and proposals by developing countries, which are to be, inter alia, gender-sensitive, participatory and fully transparent, to take into account vulnerable groups and ecosystems, and be based on science and/or traditional and indigenous knowledge [systems].</p>
