

INDONESIA: INSERTION FOR ELEMENTS ON AGREEMENT
(Document: ADP.2015.8.InformalNote)

Preamble

^{Pp5} *Emphasizing* the need for universal and sustained **ambitious** action by all to respond to the urgent threat of climate change based on the best available scientific knowledge,”

^{Pp6} *Taking account* of the particular vulnerabilities and specific needs of Parties, especially the least developed country (LDC) Parties, **and countries with low-lying coastal areas,**”

Article 2 (PURPOSE)

replace *reflect* with “*based on the principle of the convention, including CBDR*”.

Full sentence should be:

1. The purpose of this Agreement is to enhance the implementation of the objective of the Convention and strengthen and support the global response to the urgent threat of climate change by further addressing its causes and by further increasing resilience and the ability to adapt to its adverse impacts, with a view to promoting the global transformation to low-emission and climate-resilient societies and economies. It **based on the principle of the convention, including** common but differentiated responsibilities and respective capabilities, in light of different national circumstances.

Article 3 (MITIGATION)

5. The rules and guidance related to accounting that are set forth in decision 1/CP.21, will apply along with any subsequent decisions by the CMA, **taking into account existing accounting approaches, methodologies, guidance and guidelines for anthropogenic emissions and removals, for the use of actions in the land-use sector, where applicable.**

Article 7 (TECHNOLOGY DEVELOPMENT AND TRANSFER)

3. The Technology Mechanism, including the Technology Executive Committee and the Climate Technology Centre and Network, shall serve this Agreement. **The TEC and the Climate Technology Centre and Network shall report to the CMA through the subsidiary bodies on their activities relating to the implementation of the Agreement.**
