

UNFCCC Article 6 Activities in Jamaica: 2004-Present

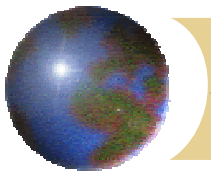

*Presenter: Dale Rankine M.Sc.
Jamaica*

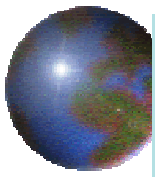

Summary of Activities

- ❖ Jamaica sits on the Regional Climate Change Public Education Committee-Mainstreaming Adaptation to Climate Change (MACC) Project
- ❖ Series of Public fora have been convened: August 2004-March 2005
- ❖ The Media has played an active part, the educational community and political directorate have shown great interest.
- ❖ The UNDP/GEF funded JCCEA Project currently supports an ongoing PEO campaign and a climate change baseline survey

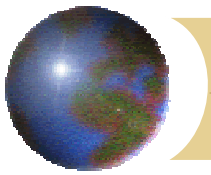

The JCCEA Project: Launch

- ❖ The project is funded to the sum of **US\$100,000.00** by the UNDP/GEF
- ❖ The duration is 1 Year: July 2004 to March 2005. Is it being executed by the Met. Service which is the focal agency for Climate change in Jamaica
- ❖ Phase 3 of the Project is Public Education, which supports *inter alia*: public fora and a climate change survey.

Focus of Climate Change Survey: March to June 2005

- Jamaica has a resident population of 2.6 million. The Survey will be conducted in all 14 parishes targeting **2100** persons
- Survey has been developed by the MACC project with considerable inputs from NOAA and Univ. of Louisville
- It targets KAP (Knowledge, Attitude and Practice –or behaviour)
- Aims to fill KAP gaps.
- Survey analyses and report will serve as input for National PEO Strategy and 2nd Nat'l Communication.

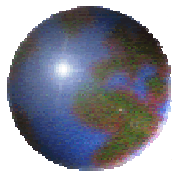

Subjects of the Climate Change Survey

- The Media including GIS organisations
- Voluntary Groups (NGOs, Rotary, Lion's)
- Communities-at-Risk
- International Funding Agencies and Environment NGOs
- Regional Bodies, Collaborators
- General public
- Householders

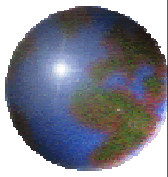

Other past PEO Activities: 2004-2005

- ❖ *Media Involvement (as partners):* Television documentary for Schools on Climate Change-CVM Communications group, Man Talk Programme on Global Warming and Ozone Depletion (DVD **made** from presentation), TV & Radio interviews on WMD 2005, Tsunami impacts, and **"Kyoto Day"**
- ❖ *New promotional items:* TV/VCR, pamphlets, rulers, exercise books, documentary on Met. Service and posters on climate change,.
- ❖ *Partnership with other agencies:* Bauxite companies, Climate Studies Group, UWI, Mona-
["Research on El Niño and how it impacts Jamaica's Rainfall"](#)-Commencing April 2005).

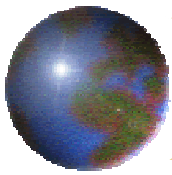

Met. Service & MLE Climate Change Symposium: Feb. 16-17, 2005

- ✦ *The Session 1: Wednesday, February 16, 2005*, at the Hilton Hotel. The date of this session coincided most appropriately, with the day that the **Kyoto Protocol** entered into force. Attendance: Over 200 including two ministers of government: Hon. Dr. Paul Robertson, Minister of Development (who represented the Prime Minister in his absence), and Hon. Dean Peart, Minister of Lands & the Environment (MLE). There was a very large student turn out.
- ✦ *Session II-Thurs. Feb. 17:* The Wexford Court Hotel in Western Jamaica in the second city, Montego Bay. In attendance: Hon. Dean Peart, MLE, PS, MLE and over 70 of the 90 expected invitees. Interaction was lively.
- ✦ **Both Sessions were Chaired by the Permanent Secretary, MLE and were addressed by Tony Deyal, MACC representative**
