

Agenda item 5: 2015 forum of the SCF and work on a working paper on coherence and coordination of forest financing

The SCF working group on forest financing agreed on:

1. Date of the forum: 8-9 September 2015, location pending finalization of corresponding logistical and legal matters
2. Objective: Enhancing coherence and coordination of forest financing
3. Further elaboration of the Forum programme inter-sessionally
4. Inviting observers (including GEF and GCF) to further participate in intersessional work on the working paper and on the preparation of the 2015 SCF Forum

Next steps – inter-sessional work to:

- Produce a concise concept note on the Forum (objective, scope)
- Further elaborate the draft Forum programme including resource persons
- Produce a further iteration of the working paper on coherence and coordination of forest finance by 1 May
