

## IN SESSION WORKSHOP ON ADAPTATION

**Development of a five-year programme of work of the Subsidiary Body for Scientific and Technological Advice on impacts, vulnerability and adaptation to climate change**

**Hotel Maritim, Bonn, Germany**

**21 May 2005**

**10:00 – 13:00**

### **Agenda**

**Welcome and introduction by the Workshop Chair, Mr. Amjad Abdulla**

**Presentation by Mr. Ian Burton, Independent Scholar and Consultant, Professor Emeritus, University of Toronto.** – Towards a five year programme for adaptation.

**Presentations by Parties.\*** – Views on the five-year SBSTA programme of work on impacts, vulnerability and adaptation to climate change.

### **Discussion**

*In their presentations and interventions Parties are invited to provide their views on possible elements of the programme of work, keeping in mind the following questions:*

- *What should be the broad objective of the work programme?*
- *What should be the scope of the work programme?*
- *How should the programme be structured? What should be the major milestones and outcomes of the 5-year programme?*
- *What should be the initial specific activities of the work programme?*
- *How should the work programme be reviewed and further developed?*

**Conclusions and wrap-up by the Chair**
